

RESOURCE INFORMATION ON STUDENT IDENTIFICATION CARDS

Pursuant to Senate Bill 1307 (2022), beginning July 1, 2023, for those students in grades seven (7) through twelve (12) who are issued student identification cards, such cards shall have printed on either side the telephone number for the National Suicide Prevention Lifeline, which can be accessed by calling or texting 988. The District, at its discretion, may also print on either side of student identification cards the telephone number of the Crisis Text Line, which can be accessed by texting “HOME” to 741741. These requirements shall apply to a student identification card issued for the first time or issued to replace a damaged or lost card.

On July 1, 2023, should the District have a supply of unissued student identification cards that do not comply with the paragraph above, the District may issue non-compliant cards out of this supply until the supply is depleted.
