Dear Employee,

It's benefit enrollment time once again and we are excited about the coming year. We recognize the importance of benefits for you and your family and that is why we are expanding available resources to assist you when considering benefit options. In addition to continuing our partnership with American Fidelity Assurance Company for open enrollment, the District has contracted with Rogers, Gunter, Vaughn Insurance Company to provide assistance during the year following open enrollment regarding any issues or concerns you may have with your health, dental, vision, or life insurance benefits. Also, the Finance and Human Resources Departments developed the following benefit guide to provide you with information about your benefit options for the new plan year, explain the enrollment and change process, and serve as a valuable resource for information about all the benefits available to you. It's a good idea to take some time to read this guide before attending open enrollment and/or completing your enrollment forms.

Your open enrollment will be for all core (Medical/Dental/Vision) plus supplementary benefits. For 2018, we are proud to continue our partnership with American Fidelity and other existing companies for the following supplementary benefits:

**Disability Income Insurance, Term Life Insurance, Accident Insurance, Cancer Insurance, and Critical Illness Insurance**

Enrollment counselors will be available throughout the open enrollment process to assist you in enrolling in all of your benefits and to answer any questions you may have. To see a complete schedule of this year's open enrollment sessions, please see page 6.

Thank you in advance for taking the time to review this benefit guide and we look forward to seeing you during open enrollment.

Sincerely,

Bobby Pearce,  
Superintendent of Schools

# **2018-2019 BENEFITS ENROLLMENT**

**Annual Enrollment  
Section 125  
How to Enroll  
Enrollment Schedule**

# Your Annual Enrollment

## Important Dates to Remember

Your Open Enrollment Dates are:

July 30, 2018 - August 24, 2018

Your Plan Year is:

October 1, 2018 - September 30, 2019

Note: Changes to insurance plans will go into effect October 1st.

## Annual Open Enrollment

Each year Open Enrollment provides you an opportunity to change plans and modify dependent coverage. Your election deductions begin in September and will remain in effect through the plan year (October 1, 2018 - September 30, 2019) for your Voluntary benefits.

NOTE: If eligibility changes during the year you must notify Payroll Department within 31 days of the qualifying event.

# Your Section 125 Plan

## Save Money With Section 125

If there was a program available that could dramatically save money on your taxes, would you take advantage of it? That's exactly what the Section 125 Plan does—reduces your taxes and increases your spendable income! Plus, the Plan is available to you at no cost\* and you're already eligible, all you have to do is enroll.

The Plan works like this: You are allowed to deduct needed benefits from gross earnings before taxes are computed. This means that current after-tax expenses, such as insurance products and benefits, can be paid for with pre-tax dollars.

The advantage of this Plan is simple: The eligible premiums you pay under the Plan are paid on a pre-tax basis. You could be on your way to increased savings, just by signing up and taking advantage of this Plan!

## Benefits Eligible For The Section 125

Group Medical and Dental Insurance

- Accident Insurance
- Cancer Insurance
- Flexible Spending Accounts

Before you meet with your American Fidelity Representative, take time to evaluate your current coverage and decide how well it serves the needs of you and your family.

## Important Points To Consider

- Figure an estimate of out-of-pocket medical expenses. Remember that over-the-counter drugs and medicines now require a prescription to be reimbursed.
- Figure an estimate of child care expenses.
- Review your beneficiaries.
- Review American Fidelity's options of portable insurance plans that you can keep if your employment changes.
- Evaluate your need for life insurance.
- Consider increasing your Disability Income Insurance policy amount to match your current salary.

## How Can This Plan Help Me?

The sample paycheck below shows the benefits under the Section 125 Plan compared to benefits outside of the Plan. In this example, the employee gained \$55 more spendable income per month!

Pre-Tax Example		After-Tax Example
\$1,500.00	Monthly Gross Salary	\$1,500.00
-\$150.00	Pre-Tax Medical Insurance	\$0.00
-\$25.00	Pre-Tax Disability Insurance	\$0.00
-\$25.00	Pre-Tax Accident Insurance	\$0.00
\$1,300.00	Adjusted Monthly Gross Salary	\$1,500.00
-\$260.00	Estimated Federal Tax (20%)	-\$300.00
-\$99.45	Estimated FICA (7.65%)	-\$114.75
\$0.00	After-Tax Medical Insurance	-\$150.00
\$0.00	After-Tax Disability Insurance	-\$25.00
\$0.00	After-Tax Accident Insurance	-\$25.00
<b>\$940.55</b>	<b>Take-Home Pay</b>	<b>\$885.25</b>

### Rates

The Wakulla County School Board contributes \$5,230.70 per year for single coverage and \$9,419.60 per year for family coverage to our health care plan for each regular employee working twenty (20) or more hours per week. (Exception: Based on our Health Benefit Measurement Period Policy found on page 32 a temporary employee working more than 30 hours/week may become eligible for such contributions.) If an employee works less than twenty (20) hours a week (part-time employees), he/she has the option to enroll in the health care plan provided they pay the total premium.

### Canceling a Pre-Tax Deduction

All payroll deductions which are made for Capital Health Plan medical coverage and Assurant/Sun Life Dental and Vision Insurance programs are automatically pre-taxed unless a waiver form is completed. After open enrollment, employees will not be able to cancel or change any pre-taxed payroll deductions unless certain Internal Revenue Code Requirements are met.

All changes or cancellations must be in the Payroll Office by the date listed in the "Due in County Office" section of the Payroll Reporting Salary Schedule (see page 55) for that particular paycheck date. If a change or cancellation is made after the pre-taxed deduction is deducted from your paycheck, the school board will not refund your deduction. It will be your responsibility to seek a refund from the appropriate company.

All deductions are withheld from your pay September through June. These deductions are listed on each paycheck. It is the employee's responsibility to check all paycheck deductions on a monthly basis. The School Board will not refund deduction errors after the next month's payroll has been processed.

**Summary of Benefits and Coverage:** What this Plan Covers & What You Pay For Covered Services

**The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, at [www.capitalhealth.com/sbc](http://www.capitalhealth.com/sbc). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$2,500 single coverage \$5,000 family coverage	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible amount has been met.
<b>Are there services covered before you meet your deductible?</b>	Yes. Preventive care services are covered before you meet your deductible. Retail pharmacy prescription drugs are not subject to the deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the annual deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No	You don't have to meet deductibles for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Medical: \$4,000 single coverage / \$8,500 family coverage Pharmacy: \$2,850 single coverage / \$5,200 family coverage	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, prescription drug brand additional charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.capitalhealth.com">www.capitalhealth.com</a> or call 850-383-3311 for a list of <u>network providers</u> .	Be aware your <u>network provider</u> might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
<b>Do you need a referral to see a specialist?</b>	Yes. Some specialists require a referral. For a list of specialists that require a referral go to <a href="http://capitalhealth.com/ReferralAndAuth">capitalhealth.com/ReferralAndAuth</a> .	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a referral before you see the <u>specialist</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

## Dental Q&A

### How does a PPO work?

PPO stands for Participating Provider Organization. With a dental PPO plan, dental providers agree to participate in a dental network by offering discounted fees on most dental procedures. When you visit a provider in the network, you could see lower out-of-pocket costs because providers in the network agree to these pre-negotiated discounted fees on eligible claims.

### How do I find a dentist?

Simply visit [www.sunlife.com/findadentist](http://www.sunlife.com/findadentist). Follow the prompts to find a dentist in your area who participates in the PPO network. You do not need to select a dentist in advance.

### Do I have to choose a dentist in the PPO network?

No. You can visit any licensed dentist for services. However, you could see lower out-of-pocket costs when you visit a dentist in the network.

### Where do I find my dental ID card?

Your personalized electronic dental ID card is available through Online Advantage. You can register at [www.sunlife.com/onlineadvantage](http://www.sunlife.com/onlineadvantage). Please present this card to your dentist at your next visit to show that you are covered by a Sun Life Dental plan.

### What if I have already started dental work...like a root canal or braces...that requires several visits?

Your coverage with us and your prior plan may handle these procedures differently. To ensure a smooth transition for work in progress, call our dental claims experts before your next visit at 800-442-7742.

### Is it necessary to request a pre-determination of benefits prior to receiving services?

A pre-determination of benefits allows Sun Life to review your provider's plan for treatment before the work is done. We can tell you ahead of time how much of the work will probably be covered by the plan, and how much you may need to cover. If the charge for any dental treatment is expected to exceed \$300, it is recommended that a dental treatment plan be submitted for review before treatment begins.

### Do I have to file the claim?

Dentists in the PPO network will file claims for you. Some non-network dentists will file claims for you as well. If a non-network dentist will not file your claim, simply ask your dentist to complete a standard American Dental Association (ADA) claim form and mail it to:

Sun Life Financial  
P.O. Box 2940  
Clinton, IA 52733

### How can I get more information about my coverage?

After the effective date of your coverage, you can visit [www.sunlife.com/onlineadvantage](http://www.sunlife.com/onlineadvantage) to create an account with Online Advantage.<sup>6</sup> Once you're logged in, you'll be able to see your plan details, personalized dental ID card, and more. Or you can call Sun Life's Dental Customer Service at 800-442-7742. You can also call any time, day or night, to access our automated system and get answers to common questions when it's convenient for you.

## Dental plan provisions

### Benefit adjustments

Benefits will be coordinated with any other dental coverage. Under the Alternative Treatment provision, benefits will be payable for the most economical services or supplies meeting broadly accepted standards of dental care.

### Late entrant

If you apply for dental insurance more than 31 days after a covered person first becomes eligible, the person is a late entrant. The benefits for the first 12 months of coverage for late entrants will be limited as follows:

#### Time Insured Continuously Under the Policy

- Less than 6 months
- At least 6 months but less than 12 months
- At least 12 months

#### Benefits Provided for Only These Services

- Preventive Dental Services
- Preventive and Amalgam and Composite Fillings under Basic Dental Services
- Preventive, Basic and Major Dental Services

We will not pay for any treatment that is started or completed during the late entrant limitation period.

This summary represents a general overview and is not a complete description of your plan. It is being provided before your certificate is issued. All of our dental policies include exclusions, limitations, and frequency requirements. The actual provisions of your dental policy will be used to determine coverage for any claims that you submit.

This plan does not provide coverage for pediatric oral health services that satisfies the requirements for “minimum essential coverage” as defined by The Patient Protection and Affordable Care Act (PPACA).

**Please read the Important Plan Provisions section located at the end of this document for Limitations and Exclusions.**

Once enrolled, simply tell your VSP doctor you're a member and they will handle the rest. If you visit an in-network doctor for services and materials, you don't need an ID card or have forms to complete.

### How do I locate an in-network VSP doctor?

There are three ways to find an in-network doctor:

1. Visit [vsp.com](http://vsp.com) and select the Signature network.
2. Call 800-877-7195.
3. Download our mobile app, Benefit Tools, and search for a doctor near you.

### What happens if I use an out-of-network doctor?

You will be required to pay the full amount to the doctor at time of service. You can then submit a claim for reimbursement, which is a lesser benefit when compared to visiting a VSP doctor.

### When will my coverage become effective?

Your coverage starts on the effective date specified in your group policy, provided you are at active work on that date. Otherwise, your coverage will become effective on the day you return to full-time duties.

### Can I enroll as a late entrant?

If you elect coverage more than 31 days after your eligibility date, your effective date will be delayed to the next plan anniversary date.

### How can I get more information about my coverage?

After the effective date of your coverage, you can visit [www.sunlife.com/onlineadvantage](http://www.sunlife.com/onlineadvantage) to create an account with Online Advantage. Once you're logged in, you'll be able to see your plan details and more. Or you can call Customer Service at 800-877-7195.

**Please read the Important Plan Provisions section located at the end of this document for Limitations and Exclusions.**

## **Conversion Privilege for Life Insurance**

### **Conversion upon Termination of Employment or Eligibility**

#### **For Employees**

You may convert all or part of your life insurance to an individual policy of life insurance, other than Term,

1. if all or part of it stops for any reason; unless
2. it stops because you did not pay any required premiums.

The amount you may apply for may not be more than:

1. the life amount then in force; or
2. that part of the life amount which has stopped, whichever is less.

Accidental death and dismemberment, disability or any other supplemental coverage for which you are eligible under this policy may not be converted.

#### **For Dependents**

Your covered dependent spouse or child may convert all or part of his life insurance to an individual life policy, other than Term, if the insurance on his life ends because:

1. you stopped working full-time for your employer; or
2. you ceased to be a member of a class eligible for insurance; or
3. the dependent ceased to be an eligible family member; or
4. of your death.

### **Conversion upon Termination or Amendment of Group Policy**

Any covered person may convert a limited amount of life insurance if he has been continuously insured under the policy for at least five (5) years and his insurance ends due to termination or amendment of the policy.

The amount you may convert in this case is the smaller of the following:

1. the amount of life insurance which terminates, less the amount you became eligible for under any group policy within 31 days after this insurance terminated; or
2. \$10,000.

### **Conversion Coverage**

Any covered person may convert his life insurance to any policy we are issuing for the purpose of conversions other than Term. The conversion policy will not have disability or other supplementary benefits. No evidence of insurability will be required. The premium will be based on the amount and the form of the conversion policy, and on the covered person's class of risk and age on the date the conversion takes effect.

A conversion policy is in lieu of all other benefits under this policy. If you qualify for the Extended Insurance Benefit, any conversion policy issued will be canceled. Premiums paid for the converted policy will be returned.

The conversion policy will take effect on the 32nd day after the insurance terminates.

### **Notice and Application Required**

Written application and the first premium payment for the conversion policy must be received in our Home Office within 31 days after the covered person's insurance terminates. If you are not given notice of the right to convert by the 16th day of the 31 day conversion period, you will have an additional period in which to apply for conversion. The additional period will end 15 days after you are given notice, but not more than 61 days after the date the insurance under the policy ended.

Nothing in the policy will continue coverage for more than 31 days following the date coverage ends under the policy. Written notice, contained in this certificate of insurance and given to you at any time, or mailed by the policyholder to your last known address will be considered sufficient written notice to you. It is the responsibility of the policyholder to give such notice to you.

### **Conversion Period Death Benefit**

If the covered person dies within the 31 days allowed for making application to convert, we will pay the amount he was entitled to convert. We will do this whether or not application was made.

# Flexible Spending Accounts

## Benefits Debit Card

### Benefits Debit Card

American Fidelity will provide a Benefits Debit Card to all employees who elect to participate in a Healthcare FSA (where offered by your employer.) The debit card gives immediate, convenient access to Healthcare FSA funds at the point of sale for prescriptions, copays, and other common qualified medical expenses. The card can only be used for the Healthcare FSA and is not available for the DCA.

### Using Your Benefits Debit Card

Simply swipe your card like you would with any other credit card. Whether at the doctor's office or the dentist, the amount of your eligible expenses will be automatically deducted from your Healthcare FSA. Save ALL receipts!

Cards for Healthcare FSAs can be used at:

- Health care related facilities which include: hospitals, physician offices, dental offices, vision offices; and,
- Merchants participating in the Inventory Information Approval System (IIAS).
- The card is for medical expenses only; dependent day care expenses are not eligible.
- The card cannot be used for over-the-counter drugs filled with a prescription. You will need to file a manual claim for these types of expenses.

### Snap. Submit. And Go!

When using your Benefits Debit Card to pay for an eligible expense, you may need to retain documentation to verify the expense. The AFmobile® app makes this easy.

- **Snap** a photo of the itemized receipt\* with your phone.
- **Submit** the photo of the itemized receipts within the app when you receive notification that a receipt is needed to verify your expense.
- **Go!** After submitting your verification and its review, you will be able to view the status of your reimbursement within the app.

\*The Internal Revenue Code (IRC) requires proof of the eligible expenses using itemized receipts or other documentation showing the date of service, person for whom service was provided and description of the expense. Depending on the type of expense, documentation may come in the form of third party itemized statements or Explanation of Benefits.

### Activating Your Card

You will receive your card at your home address and may begin using your card on the first day of your plan year. Your card will be automatically activated when you use it for the first time for an eligible expense.

# Flexible Spending Accounts

**American Fidelity Assurance Company**

## Dependent Care Account (DCA)

A Dependent Care Account allows you to allocate money on a pre-tax basis to reimburse yourself for dependent care expenses that allow you (and your spouse) to work. Reimbursement is permitted only after the services have been provided and the expense has been paid. As dependent care contributions are withheld from your paycheck and placed into the account, these funds become available for reimbursement requests. Submit the entire amount of your dependent care expense after the care is provided, even if it exceeds your monthly contribution amount, to maximize reimbursement opportunities. This allows you to build up a “pool” of submitted expenses, with pending amounts ready for reimbursement as soon as your next contribution is received and deposited into your account.

Minimum Annual Election: \$250

Maximum Annual Election: \$5,000

### Examples of Eligible Dependent Care Expenses

After-school care or extended day programs

Nanny expenses

Baby-sitter inside or outside participant’s household

Custodial or elder care expenses if the qualifying individual still spends at least 8 hours each day in the employee’s household

Dependent Day Care center\* expenses/pre-kindergarten/nursery school expense

Expenses paid to a non-dependent relative of participant to care for the child

Summer day camp if the primary purpose of the expense is custodial in nature and not educational

**For a more complete list of eligible expenses, please visit [www.americanfidelity.com](http://www.americanfidelity.com).**

*\*A Dependent Care Center is a place that provides care for more than six persons (other than persons who live there) and receives a fee, payment or grant for providing services for any of those persons, regardless of whether the center is run for profit.*

Regardless of whether you participate in the Dependent Care Account under the Section 125 Plan or claim the Dependent Care credit on your income tax return, you must provide the Internal Revenue Service with the name, address and taxpayer identification number (TIN) or Social Security number of your dependent care provider(s) by completing either Schedule 2 of Form 1040A or Form 2441 and attaching it to your annual income tax return. Be sure that you follow

the current instructions given by the IRS for preparing your annual income tax return. Failure to provide this information to the IRS could result in loss of the pre-tax treatment of your Dependent Day Care FSA contributions or loss of the Dependent Care Tax Credit.

## FSA Fund Availability

### Healthcare FSA

Your full annual election is available to you on the first day of the plan year.

### Dependent Care Account

Unlike the Healthcare FSA, the entire elected amount is not available on the first day of the plan year, but rather as contributions are received.

## Important FSA Notes:

- Participants are generally allowed a 90-day run-off period after the plan year ends in which to submit claims for expenses that occurred during the plan year but were not yet submitted.
- If you are a new employee entering the FSA Plan during a plan year, reimbursement is only available for expenses and services provided after you begin your participation in the FSA Plan.
- If you are enrolled in the Healthcare FSA and take a leave of absence during the plan year, you may (subject to your employer’s plan):
  1. Prepay the contributions on a pre-tax basis, or
  2. Continue the contributions by remitting them to your employer. Pre-tax contributions may continue if you continue to receive enough pay, or
  3. Prorate the unpaid contributions over the remaining pay periods when you return to work.
- Failure to make all elected contributions will result in termination of your account as of the date contributions ceased.
- Healthcare FSAs must comply with COBRA and generally must offer COBRA continuation rights to qualified beneficiaries who lose Healthcare FSA coverage due to certain qualifying events. For most Healthcare FSAs, COBRA may be offered upon a qualifying event only if you have a balance remaining in your Healthcare FSA. The balance is generally calculated by subtracting the reimbursements made prior to the qualifying event from the annual election. If eligible, you may choose to continue your contributions by either sending your contributions to your employer on an after-tax basis each pay period, or, you may choose to make a pre-tax contribution for your remaining elections for the plan year from your final pay or severance pay. Expenses incurred while contributions are being made are eligible for reimbursement. Coverage generally may not continue beyond the current plan year. If you do not elect COBRA, only expenses incurred during the period of employment are reimbursable. Coverage under the Healthcare FSA ceases when the contributions cease.

## New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 11-30-2013)

### PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact [Randy Beach](#) or [Sharon Lewis](#) at 850-926-0065.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Wakulla County School Board		4. Employer Identification Number (EIN) 59-6000892	
5. Employer address 69 Arran Road		6. Employer phone number 850-926-0065	
7. City Crawfordville		8. State Florida	9. ZIP code 32326
10. Who can we contact about employee health coverage at this job? Sharon Lewis			
11. Phone number (if different from above)		12. Email address sharon.lewis@wcsb.us	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
    - All employees.
    - Some employees. Eligible employees are:

All employees employed in a regular established position. Additionally, temporary employees filling a regular established position for an employee on leave of absence beyond 6 months.
  - With respect to dependents:
    - We do offer coverage. Eligible dependents are:

The Covered Employee's spouse; natural newborn, adopted, foster, or step child(ren) (or a child for whom the Covered Employee has been court appointed as legal guardian or legal custodian) who has not reached the end of the Calendar Year in which he or she reaches age 26. The newborn child of a Covered Dependent child.
    - We do not offer coverage.
  - If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.
- \*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

## Health Benefit Measurement Period Policy

### A. Measurement Period

#### a. Initial Measurement Period

The school board has established an initial Measurement Period of 12 months for all new employees hired into non-regular positions where the work schedule of the individual is either variable or unknown (e.g. substitute instructors). The average number of hours worked per week will be reviewed from the date of hire to the end of the first twelve months of employment to determine eligibility for the school board provided health benefits.

#### b. Standard Measurement Period

Our Standard Measurement Period will be for a 12-month period beginning on July 15 of each year and ending on July 14 of the following year. The average number of hours worked per week for each part time employee will be reviewed during this time to determine eligibility for school board provided health benefits.

### B. Administrative Period

#### a. Initial Administrative Period

Our Initial Administrative Period begins immediately following the Initial Measurement Period and extends until the last day of the first month following the employee's twelve month anniversary. During this Initial Administrative Period, those part-time employees having completed the Initial Measurement Period will be notified of their eligibility for school board provided health benefits. An opportunity to enroll in the school board provided health benefits and additional information will be provided to eligible employees, including:

- Coverage options available to them under the school board's plan
- Coverage cost
- Term of such coverage or the "Initial Stability Period"
- Enrollment Documents

#### b. Standard Administrative Period

Our Standard Administrative Period begins on July 15 and ends on September 30 of each year. Part time employees will be notified of their new or continued eligibility for school board provided health benefits during this time. Additionally, those employees who are newly eligible for school board provided health benefits will be provided the opportunity to enroll and given additional information, including:

- Coverage options available to them under the school board's plan
- Coverage cost
- Term of such coverage of the "Standard Stability Period"
- Enrollment documents

### C. Stability Period

If an employee chooses to enroll in the school board provide health plan, coverage is guaranteed during the Stability Period no matter how many hours are worked as long as the individual remains an employee.

#### a. Initial Stability Period

Our Initial Stability Period begins on the first day following the end of the Initial Administration Period and extends for the twelve consecutive calendar months. An employee whose Initial Measurement Period overlaps with the Standard Measurement Period for ongoing employees will be included in the Standard Measurement Period as well.

#### b. Standard Stability Period

Our Standard Stability Period is one year in length and begins on October 1 and ends on September 30

#### *Example:*

An employee begins work on December 3, 2013. The Initial Measurement Period begins on December 3, 2013 and ends on December 2, 2014. The Initial Administrative Period begins on December 3, 2014 and ends on January 31, 2015. If eligible, coverage begins on February 1, 2014 and is guaranteed through January 31, 2015.

The Standard Measurement Period begins on July 15, 2013 and ends on July 14, 2014. The new hire above whose hire date is December 3, 2013 is included in the Standard Measurement Period for the time of their employment during the Standard Measurement Period (December 3, 2013 through July 14, 2014). The Standard Measurement Period begins on July 15, 2014 and ends on September 30, 2014. ## Direct Deposit

All employees will receive pay through direct deposit as a condition of employment. The Direct Deposit Agreement form is available at [www.wakullaschooldistrict.org](http://www.wakullaschooldistrict.org), the Payroll Department and at each school center. Please remember a **VOIDED** check **MUST** accompany the Direct Deposit Agreement or it will not be processed. If you have a savings account, please attach a deposit slip with your information on it. All completed forms must be turned into the Payroll Department.

A test run is required before your funds will be direct deposited. This may take several payroll periods before the process is complete. **Please check each payroll for verification that your check was direct deposited.**

All bank changes must be in writing. If your bank account is closed after Payroll has processed paychecks, it will take 3 to 5 business days for the funds to be returned to the School Board account and a check to be issued to you. Please make all changes by the date listed in the "Due in County Office" section of the Payroll Reporting Salary Schedule for that particular paycheck date.

## Twelve (12) Check Proration

Salaried employees who work 9 or 9½ months may request, **BEFORE THEIR FIRST DAY OF WORK**, that their annual salary be divided into twelve (12) equal payments (hourly employees are NOT ELIGIBLE). This request continues from year-to-year and CAN NOT be terminated within a school year once the employee has started working. If an employee takes an unpaid leave of absence, they will receive all salary owed in their last paycheck. Upon their return to work, they must continue their 12 check status for the remainder of the school year.

The two (2) "summer checks" do not contain salary supplements that may have been received during the School Year. Additionally, no payroll deductions are made from these checks other than required taxes and court orders. These checks are usually ready by mid-June. Please see the Payroll Reporting Salary Schedule in your handbook for those exact dates.

Certified personnel and all 12 month personnel automatically receive twelve (12) checks. These checks are paid on the last working day of each month. Please see the Payroll Reporting Salary Schedule in your handbook for the exact dates.

If you have any questions about your payroll deductions, call the Payroll Department at 926-0065 Monday through Friday between the hours of 8:00 a.m. and 4:30 p.m.
