

POSITIVE TEST RESULT PROTOCOL

If you test **positive** for COVID-19 you may return to school or work when the following are true:

- **24 hours fever free** (without the aid of medication)
- **Symptoms improve**
- **5 days have passed** since onset of symptoms

Students/staff are asked to wear a mask for 5 days after returning to school or work.

A lab confirmed test is required to excuse absences. Home test results are not accepted.
