INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the School Board and Management of
Independent School District No. 278
Orono, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 278 (the District) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District’s basic financial statements, and have issued our report thereon October 27, 2021.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the District’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District’s internal control. Accordingly, we do not express an opinion on the effectiveness of the District’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the District’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

(continued)

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL
OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF EXPENDITURES
OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the School Board and Management of
Independent School District No. 278
Orono, Minnesota

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited Independent School District No. 278’s (the District) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on each of the District’s major federal programs for the year ended June 30, 2021. The District’s major federal programs are identified in the Summary of Audit Results section of the accompanying Schedule of Findings and Questioned Costs.

MANAGEMENT’S RESPONSIBILITY

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on compliance for each of the District’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District’s compliance.

(continued)

OPINION ON EACH MAJOR FEDERAL PROGRAM

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to on the previous page that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a deficiency in internal control over compliance, as described in the accompanying Schedule of Findings and Questioned Costs as finding 2021-001, that we consider to be a significant deficiency.

DISTRICT'S RESPONSE TO FINDING

The District's response to the internal control over compliance finding identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. The District's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion it.

PURPOSE OF THIS REPORT

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

(continued)

REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the District as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. We issued our report thereon dated October 27, 2021, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT
ON MINNESOTA LEGAL COMPLIANCE

To the School Board and Management of
Independent School District No. 278
Orono, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 278 (the District) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated October 27, 2021.

MINNESOTA LEGAL COMPLIANCE

In connection with our audit, nothing came to our attention that caused us to believe that the District failed to comply with the provisions of the contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and uniform financial accounting and reporting standards sections of the *Minnesota Legal Compliance Audit Guide for School Districts*, promulgated by the State Auditor pursuant to Minnesota Statutes § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the District's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance. Accordingly, this report is not suitable for any other purpose.

2021-001 Internal Control Over Compliance With Federal Suspension and Debarment Requirements

Criteria – 2 CFR § 180 requires Independent School District No. 278 (the District) to establish and maintain effective internal control over compliance with requirements applicable to federal program expenditures, including suspension and debarment requirements applicable to child nutrition cluster federal programs.

Condition – During our audit, we noted the District did not have sufficient controls in place within its child nutrition cluster federal programs to assure that it was not contracting for goods or services with parties that are suspended or debarred, or whose principals are suspended or debarred, from participating in contracts involving the expenditures of federal program funds, as required by Uniform Guidance. For two of two vendors tested, the District did not have documentation of performing vendor checks for suspension and debarment.

Questioned Costs – None. Our testing did not indicate any instances of noncompliance with these requirements.

Context – The District did not have documentation of performing vendor checks for two of two vendors tested to ensure the vendors were not suspended or debarred from participation in federal program contracts. This was not a statistically valid sample.

Repeat Finding – This is a current year finding.

Cause – This was an oversight by district personnel.

Effect – Noncompliance with the suspension and debarment requirements could result in the District expending federal funds with vendors that are not eligible to be parties to such transactions, which could be viewed as a violation of the award agreement. However, no instances of noncompliance were noted upon testing these vendors.

INDEPENDENT SCHOOL DISTRICT NO. 278

Schedule of Findings and Questioned Costs (continued)

2021-001 Internal Control Over Compliance With Federal Suspension and Debarment Requirements (continued)

Recommendation – We recommend that the District review its internal control procedures relating to suspension and debarment for the child nutrition cluster federal program. Internal controls over compliance for this area should include verification that any vendor with which the District contracts for goods or services exceeding \$25,000 is not listed as suspended or debarred on the federal Excluded Parties List System website.

View of Responsible Official and Planned Corrective Actions – The District agrees with the finding. The District will review and update its policies and procedures relating to suspension and debarment for its federal programs to ensure compliance with the Uniform Guidance in the future. The District has separately issued a Corrective Action Plan related to this finding.

D. MINNESOTA LEGAL COMPLIANCE FINDINGS

None.

INDEPENDENT AUDITOR'S REPORT ON
UNIFORM FINANCIAL ACCOUNTING AND
REPORTING STANDARDS COMPLIANCE TABLE

To the School Board and Management of
Independent School District No. 278
Orono, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 278 (the District) as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated October 27, 2021.

Auditing standards referred to in the previous paragraph require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying Uniform Financial Accounting and Reporting Standards (UFARS) Compliance Table is presented for purposes of additional analysis as required by the Minnesota Department of Education (MDE), and is not a required part of the basic financial statements of the District. The UFARS Compliance Table is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the UFARS Compliance Table is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

(continued)

The purpose of this report on the UFARS Compliance Table, required by the MDE, is solely to describe the scope of our testing of the UFARS Compliance Table and the results of that testing based on our audit. Accordingly, this report is not suitable for any other purpose.
