

Children need to receive the minimum number of age appropriate vaccines **prior** to entering school/preschool. Proof of vaccination **MUST** be submitted directly to the school nurse **NO LATER THAN AUGUST 15.**

**PRESCHOOL:**

DTaP - 4 doses

Polio – 3 doses

Hep B - 3 doses

Hib – 1-4 doses (a minimum of 1 dose on or after the first birthday)

PCV 13 –1-4 doses (a minimum of 1 dose on or after the first birthday)

MMR - 1 dose after the first birthday

Varicella – 1 dose after the first birthday

Influenza – a minimum of 1\* dose every school year between September 1 and December 31 for children 6 months to 5 years old.

\* (Your child may require a second dose if there has been no prior Flu vaccination)

**KINDERGARTEN:**

DTaP -5 doses (4 doses only if the 4<sup>th</sup> dose was received after the 4<sup>th</sup> birthday)

Polio -4 doses (3 doses only if the 3<sup>rd</sup> dose was received after the 4<sup>th</sup> birthday)

Hep B - 3 doses

Hib – 1-4 doses (a minimum of 1 dose on or after the first birthday)

PCV 13 –1-4 doses (a minimum of 1 dose on or after the first birthday)

MMR – 2 doses

Varicella –1-2 doses (a minimum of 1 dose after the first birthday)

\*A TB test may be required if a child is transferring from out of state or a high risk area. Please consult your physician.

**PHYSICAL EXAMINATION:**

A current physical exam is required for all students entering Reverend Brown School. Please use the PK-4 form for all students. Students entering Grade 1 or higher for the first time will not be held to having their physical completed between May 15 and August 15 during their first year. Returning students, please schedule your well care visits accordingly.
