Solicitation of Quotes for  
HVAC Heat Pump Replacement  
Project 2022-10

The South Shore Charter Public School is soliciting quotes to replace three (3) heat pump units.

This project shall entail:

- Purchase new heat pump units.
- Disconnecting, removal and proper disposal of the existing heat pumps.
- Installation of the new heat pumps which will be tied into the existing water loop and electrical circuit.
- New ductwork shall be installed to allow the new system to match up to the existing ductwork.
- Quote shall include all necessary labor and materials.
- Prevailing Wages must be paid on this project. Attached is the Prevailing Wage schedule.

**Unit #24**

Purchase new Climate Master 3 ton water source heat pump. Replace existing heat pump with a new heat pump. This project shall include all labor, piping, electrical work, ductwork, disposal of old equipment, as well as equipment start/testing of new equipment.

**Unit #29**

Purchase new Climate Master 5 ton water source heat pump. Replace existing heat pump with a new heat pump. This project shall include all labor, piping, electrical work, ductwork, disposal of old equipment, as well as equipment start/testing of new equipment.

**Unit #41**

Purchase new Climate Master 5 or 6 ton water source heat pump. Replace existing heat pump with a new heat pump. This project shall include all labor, piping, electrical work,

ductwork, disposal of old equipment, as well as equipment start/testing of new equipment.

Contractors may visit SSCPS, 100 Longwater Circle, Norwell, MA 02061 to review scope of work and see existing units on *Wednesday, August 17, 2022 at 11:00am*.

Written quotes are **DUE by 10:00am on Wednesday, August 24, 2022**. Quotes can be dropped off to Wayne Heuer at SSCPS or emailed to [wheuer@sscps.org](mailto:wheuer@sscps.org) by due date/time in order to be considered.

Questions about this solicitation, please contact Wayne Heuer 781-982-4202x105 or email [wheuer@sscps.org](mailto:wheuer@sscps.org).

Thank you,

Kristine Bingham
