BOARD REPORTS

Mrs. Woodie

*The 2020 Role of Recognition plaques have been hung on the recognition wall.

Mrs. Blum

*Thank you everyone who has been working hard to smooth out the remote learning process.

SUPERINTENDENT'S REPORT

*Sent his condolences to the Demetriades family on the passing of Coach George Demetriades.

*While we are grateful for all the one time grants that we have received for the pandemic, these funds are restricted for specific purposes. We are actively reviewing our budgets because of the State Budgets cuts from last and this year.

*We are in process of bringing in a small number of students (special needs and English learners) into buildings. This will help transition us to bringing in other students once restrictions are lifted.

*Our technology department is working with our teachers security issues with google classroom.

OLD BUSINESS

*We have a renewal levy that is on the November ballot. We need to continue to communicate that this levy is a zero increase in taxes. If passed, we will not have to vote on this levy again.
