\*The February Professional Development day occurred last Thursday the 17th. Overall, there was very positive feedback from the staff who attended. The sessions focused on the belief statement from our culture playbook that "Thunderbolts Work Together" by "Embracing Differences, Building Trusting Relationships, and Serving with Empathy".

\*The board was asked to review the 2022 High School's Summer School program and offerings and will be asked to approve it during the March 14 meeting. This summer, we will continue using an online registration process and offer the following courses in a face-to-face setting: Healthful Living, PE I and II, World History (9th grade only), and Pre-calculus.

\*We have been working with Aullwood and the YMCA to submit grants to the Ohio Department of Education to provide summer opportunities for our students. We should know by the end of March if these partners received the grants.
