

NISD's Food Service department is committed to the health and well-being of our students by offering nutritious breakfast & lunch meals. At elementary and middle schools, all meals must meet the Recommended Daily Allowance established by the USDA and the Texas Department of Agriculture. We research and evaluate every recipe in our menu to ensure they meet nutrition requirements measured by the following categories: **Saturated Fat, Total Fat, Calories, and Sodium.** For further details on the Texas Public School Nutrition Policy please refer to the full policy at www.squaremeals.org.

School Meals

We offer breakfast and lunch combo meals daily at all NISD Schools. Students on the Free & Reduced program may receive 1 Breakfast & 1 Lunch Combo Meal daily for their free or reduced-rate.

Meal Payment Options

School cafeterias accept cash and check payments. Payments may be sent to your child's school to be deposited into his/her account. Credit cards are accepted online through My School Bucks, but payments take 24 hours to appear on your child's meal account. At My School Bucks, parents may access their child's meal account online, view payment balances and apply money using a Visa or MasterCard. Online payments will be charged a convenience fee of \$2.49 per transaction. All online payments take 24 hours to appear on your child's meal account.

Create A My School Bucks Account

1. Go to www.myschoolbucks.com.
2. Create a user profile by clicking on the "Start Here" button on the home page.
3. Add students to your household - you will need the child's name, birth date and student ID.
4. Now you are ready to make payments.

Students with Special Dietary Needs

Our department will make food substitutions or modifications for students with disabilities for normally scheduled meal services. The substitutions or modifications for children with disabilities must be based on a prescription written by a licensed physician that explains the disability and specifies substitutions to be made. A physician must also provide written notices of changes or deletions to diet orders. The NISD Food Service is not required to provide substitutions or modifications for children who do not meet the criteria for "disabilities with medically certified special dietary needs."
