by logging into

Hello Parents / Guardians / Researchers,

Happy testing Month! Researchers: Please make sure you know the date and time you are scheduled to come into the building and test! These tests are MANDATORY and should be taken seriously. Parents: Please make sure your student is present at his/her scheduled date(s) and time(s).

Re-enrollment for the 2022-2023 school year is currently underway. Please make sure to login to [www.way.schoolmint.net](http://www.way.schoolmint.net) and fill out the necessary forms to reserve your child's seat TODAY. Contact the school office at (313) 444-8082 if you need your login information or if you have any questions.

Shoutout to our 11th graders!! The Class of 2023 averaged 0.65 credits earned per researcher! This means they went well and beyond our commitment of 0.5 credits earned for the month. Great job!!

Lastly, make sure you are not only just logging into Centric but completing work as well. We have been in contact with students who are not receiving any credit and make sure that person is not you!

Let's knock this testing out of the park!!

Yours in Education,

Cameron Nichols  
Program Director -W.A.Y Academy Southwest
