Hello Parents / Guardians / Researchers,

It's a great day at W.A.Y!!! Thank you to all the researchers who came out to the building for testing!! We need that same energy when we do the Performance Series Test next week. We will be giving away prizes and incentives for researchers who show the most growth on the test.

We have 13 researchers on the honor roll this month!! Earning credits is the best way to earn a spot on our honor roll. We will raffle off a gift prize for honor roll researchers next month.

Last thing, RE-ENROLL, RE-ENROLL, RE-ENROLL!!! Make sure you have your paperwork in for re-enrollment, we will be opening spots soon. *Those researchers who have been notified for zero credit are in danger of being dropped!!* Contact us ASAP if this is YOU. Let's have a better month than last month and see you all soon! ;)

Yours in Education,

Cameron Nichols
