W.A.Y to go researchers and staff!!!

This past month was our best in terms of attendance and credit for this school year!! We will be recognizing those students who received 3 or more credits in May with a certificate and lunch provided by us in the near future.

Graduation is coming soon!! Seniors make sure you are finishing up your work so you can participate in our ceremony on June 22nd at Central Baptist Church North Campus in Northwest Detroit.

Researchers let's keep this momentum going with finishing the school year on an outstanding note! If you need help with your work, come to the building and see us. We don't bite ;)

Yours in Education,

Cameron Nichols

Program Director - W.A.Y Academy Southwest

Happy Father's Day
