

# Crawfordville Elementary School

## SACS Meeting Minutes

February 1, 2021

- Welcome from Mrs. Henderson, motion to start the meeting at 4:00 by Mrs. Hatfield and second by Mrs. Turpyn.
- Committee Chairs Update: No major updates from committee chairs as of last meeting, same concerns stand with pacing guide. Technology had one concern with computer labs equipment lacking.
- Discuss PFEP – Currently with covid restrictions in place we've had virtual Title 1 parent nights. If restrictions continue an idea to incorporate is a make and take activity for students and families to complete at home. Results could be posted with a follow up survey monkey. If restrictions are lightened, top three parent involvement nights that are highly liked are STEM night, bingo for books and meet the teacher.
- Midyear Reflection – Reviewed goals and progress towards those goals.
- Budget- SIP account has around \$7,000. Mrs. Crawford explained that she would like to purchase ear buds for each student as well as storage and charging stations for each classroom. Motion to approve by Mr. Zelman and second by Mrs. Henderson.
- Questions / Concerns- Mrs. Francis asked about the number of our initial distant learners versus our current number. Mrs. Crawford answered with initial being around 180 and currently being around 35.
- Future Meeting Dates
  - May 3, 2021 @4:00
- Vote to adjourn by Mr. Zelman and second by Mrs. Francis
- Mrs. Henderson closed the meeting at 4:33.
