

The St. Joe Fund

NOT I, BUT WE

2022-2023 PARENT GIVING

The generosity of our parents has been a long-standing benefit to St. Joe. As you might expect, **the total cost of educating your daughter at the Academy exceeds the tuition and fees we charge.** We balance the need to meet rising costs and expenses by raising tuition rates with the desire to make an SJA education accessible. This differential is often referred to as the “tuition gap” and is covered through fundraising. We ask all families to participate, to the extent possible, in covering the tuition gap for your daughter. Your generous participation helps us to fulfill our mission and keep our tuition as low as possible. **Any donation to St. Joseph’s Academy, including your gift through a payment of the “tuition gap,” is considered a charitable contribution.** By supporting **The St. Joe Fund**, you help us deliver a superior Catholic education infused with our core values, advanced technology, and state-of-the-art facilities where your daughter can thrive and grow in faith, knowledge and respect for self and others.

“As current parents, we make a gift to The St. Joe Fund to help fill the tuition gap. No matter the size of the gift, we know every dollar makes a difference. It’s a good feeling to support this important mission of educating young women.” – Steve and Suzanne Vincent
