Cell Phone & Other Technology Devices

I realize that having a cell phone and/or other technology device to use is a privilege at Campbell Middle School. I understand that my parents and/or guardians care about me and want to keep me safe. My teachers respect that I am becoming a young adult and want me to have the privilege of using technology at school. With these facts in mind, I agree to the following so that a safe and productive learning environment is ensured each day at school.

1. My cell phone and/or technology device may not be used during the school day when a teacher displays a RED card. (including Spartan time, Lunch, and academic classes) Only when the teacher displays a GREEN card may I use my technology device and access a site as directed or approved by my teacher. Red and green cards are placed on the front board to be observed each day as I enter the classroom.
2. When the card is RED, devices must be turned off and not be on display. Failure to have my cell phone placed out of sight (even if not in use) may result in disciplinary action.
3. Social media postings, technology recordings, or any social media access during the school day is prohibited.
4. Earbuds and earphones are not allowed to be worn in the hallways, or throughout the instructional school day.

First Offense: Verbal warning to put technology away

Second Offense: confiscation of technology device and parent contact

Third Offense: Disciplinary Action (example: technology prohibited from campus for the remainder of the school year, parent conference, suspension)

PRINTED **Student Name:** _____ **Alpha:**_____

_____

Student Signature **Date**

_____

Parent Signature **Date**

Students must complete technology contract BEFORE bringing a cell phone or other device on campus beginning August 20, 2018

GREEN CARD	RED CARD
use of technology is permitted as directed or approved by my teacher	*technology is not permitted devices must be turned off and out of sight*
