Student Information Release Opt-Out Form

There are circumstances under which school districts are required to release student data without parent/guardian consent. Here are three categories of information that may be shared unless a parent/guardian opts out:

DIRECTORY INFORMATION: Directory information includes student's name, date of birth, major field of study, participation in officially recognized teams, weight and height as a member of athletic teams, dates of enrollment, dates of graduation or withdrawal, grade levels completed, degrees and awards, pictures of students for school-approved communications.

MILITARY RECRUITER ACCESS TO STUDENT DATA: Minnesota law states that a secondary institution shall release to military recruiting officers the names, addresses, and home telephone numbers of students in grades 11-12. Parents/guardians and eligible students (18 years or older) have the right to request their student's data not be released to the military.

USE OF PHOTOS AND STUDENT WORK: District officials may visit your child's school to cover special events, and School District 197 may wish to use your child's photographs, voices, or student work for promotional and educational reasons. This includes school yearbooks, district/school newsletters, social media, etc.

OPTING OUT OF RELEASING STUDENT INFORMATION: If you would like to opt out regarding the use of your student's public data for school district and/or media purposes, directory information, or military recruiter access, please complete the form below and do one of the following by October 1, 2023:
