Dear Parent/Guardian,

Welcome to Washington Elementary School! We look forward to welcoming your family into our school community this September! We are offering you some time to meet with us and get to know our school prior to the start of the year. Please join us on Thursday, September 1 at 1pm in our multipurpose room. We will take you on a tour of our building and tell you more about our school.

We are happy to announce that through our Title I funding, all school supplies will be provided to each student upon arrival to school in September. Access to our parent portal including your teacher's name, will be available on August 24th. Please be sure to fill out all the required forms on the parent portal so we can best work with you and your child(ren).

Our school website above is a great resource to get all the information you will need for the upcoming school year. We also share all pertinent information on the social media sites listed below:

Washington School PTO
