ARTICLE 1 INTRODUCTION

Joliet Township High School District 204 is committed to a safe, quality educational program. To promote this goal, the school district operates a complete food service program for the benefit of students and staff. Consequently, this handbook is designed to provide information regarding the operation of the food service program. The intent of this handbook is to encourage fair and equitable treatment of all employees, promote quality service, identify current job classifications and duties, specify current wages, hours, benefits and working conditions, and to provide for prompt, equitable resolution of disputes.

ARTICLE 2 EMPLOYMENT

The employment of cafeteria personnel is to be conducted in the following manner:

- a) Human Resources will post, advertise and compile information on applicants.
- b) Qualified applicants will be interviewed by the Director of Support Services.
- c) A reference check and a Criminal History Background Check will be completed.
- d) A written recommendation will be sent to the Director of Human Resources. If approved, he or she will recommend the Superintendent present the applicant to the Board of Education for employment.
- e) Employees can print a copy of the current Cafeteria Staff Handbook or view it on-line at <http://jtweb.jths.org/hr/Pages/ContractsandHandbooks.aspx>

ARTICLE 3 PROBATIONARY PERIOD

New food service employees shall complete a ninety (90) calendar day probationary period beginning on the date approved for hire by the Board of Education. Summer break is not included in the 90-day count. During the probationary period, an employee is subject to discharge for any reason upon the written recommendation of the cafeteria supervisor and with the concurrence of the Director of Support Services and the Assistant Superintendent for Business Services. Employees will be under constant evaluation during the probationary period.

Food Service employees accepting a promotion into a new classification shall complete a thirty (30) working day probationary period, during which the employee may be returned to their original classification at the recommendation of the supervisor and Director of Support Service.

ARTICLE 4 TRANSFERS - FILLING POSITIONS

Notice of vacancies will be posted electronically on the district's website. Applications for said positions will be considered from within the regular cafeteria staff first. Vacancies will be filled with the most qualified candidate as determined by administration.

Personnel may be transferred involuntarily when it is established that the transfer is for the good of the District. When a change of job classification or assignment is necessary, the cafeteria employee will be consulted prior to the final decision. Staff members who are reassigned to lower categories on a permanent basis shall receive the salary for the lower category.

ARTICLE 5 JOB CLASSIFICATION

Employees will be assigned to positions they are qualified for as determined by job descriptions and by administration.

The Director of Support Service will discuss the creation and classification of new positions and reclassification of existing positions with the Food Service Welfare Committee prior to instituting any change.

ARTICLE 6 ANNUAL EVALUATIONS

Classified staff members will be evaluated by the designated supervisor on an annual basis using forms and procedures developed through Human Resources. The evaluation will be shared with the employee. The employee will be given a copy of the evaluation if requested. Failure to complete an evaluation will not preclude discipline or discharge of an employee.

ARTICLE 7 PERSONNEL FILES

Employees shall have the right to be notified of any new information added to their files and to review and reproduce, at their own cost, any material in the file. An employee shall have the right to include an answer or statement they wish to make regarding material in the file. Arrangements should be made through Human Resources.

Appropriate district officials shall have access to employees' files as may be reasonable or necessary for the administration of the district.

ARTICLE 8 TERMINATION AND REDUCTION IN FORCE

Employees wishing to terminate employment shall give ten (10) working days' advance notice, in writing, to their immediate supervisor, stating date and reason for leaving. Employees may be discharged or suspended without pay for conduct detrimental to the best interests of the School District, such as gross disobedience, dishonesty or immorality. Employees may also be terminated because of a reduction in the number of authorized positions. If necessary, a reduction in force shall be in accordance with classification seniority.

An employee honorably dismissed as a result of a reduction in force in any classification will then be eligible to exercise general seniority in the next lower classification. Re-employment will be in the reverse order of the previous honorable dismissals based on classification seniority. Classification seniority is defined as the length of continuous service in one of the established cafeteria employee classifications, dated from the date of the employees' most recent entry into that classification.

General seniority is defined as the length of continuous service with the district from the date of original employment.

ARTICLE 9 WORKING HOURS

The normal work day may range from four (4) to eight (8) hours depending on the job assignment, and the basic work week is twenty (20) to forty (40) hours, Monday through Friday. Beginning and ending times depend on the position and length of assignment and may be changed or rotated throughout the year. Cafeteria workers generally do not work during vacation periods. Part-time cafeteria employees are entitled to one (1) assigned fifteen (15) minute break during the day. Full-time employees are entitled to two (2) assigned fifteen (15) minute breaks and one (1) half hour of non-paid lunch. If an employee is not on his/her assigned break or lunch, they must be at a work station at all other times. Breaks and lunch cannot be combined or used at the end of the day to allow the employee to go home early.

ARTICLE 10 PAY DAYS

District 204 staff members are paid every two (2) weeks throughout the school year. The pay period covers two (2) weeks, with paychecks issued on the first Friday following the end of the pay period. Pay periods end on Saturdays.

ARTICLE 11 SUBSTITUTE CAFETERIA PERSONNEL

In the event of an illness, a substitute worker may be provided upon the request of the supervisor. Substitutes may be requested for circumstances other than illness on a limited basis at the authorization of the Director of Support Services.

Existing personnel working in a higher classification due to an absence will receive the higher rate of pay after working 59 minutes in the higher classification. After 59 minutes, the higher rate of pay is paid retroactive from the first minute.

Deductions are required by law for the Illinois Municipal Retirement Fund, State and Federal Withholding Tax, Social Security and Medicare. In addition, arrangements can be made through the Business Office for direct deposit or to purchase a tax-sheltered annuity. Additional information concerning payroll deduction plans may be obtained from the Business Office.

Illinois Municipal Retirement Fund - IMRF is the common reference to the Illinois Municipal Retirement Fund, a fund into which all eligible non-certified school employees contribute and into which the school district contributes for you. It not only benefits you when you are retired, but also if you are disabled while an employee of the school district, and in case of your death, your family will benefit. The retiree is responsible for the full amount of the premium applicable to the particular coverage except that full time employees retiring from District 204 will be entitled to a monthly contribution from the District in the amount of forty (\$40.00) dollars for single medical coverage and seventy (\$70.00) dollars for family medical coverage.

Workman's Compensation pays medical expenses and pays limited weekly benefits starting with the third (3rd) day of absence due to injury while on duty. Wages will not be paid nor sick leave authorized for any day for which Workman's Compensation salary benefits are paid. Wage payments will stop as of the first (1st) day of absence and will resume upon the return to duty of the employee. Accumulated sick leave may be used for any days of absence not covered by Workman's Compensation. Any employee injured while on the job must report the incident immediately to the immediate Supervisor.

ARTICLE 15 SICK LEAVE

Sick leave of seventeen (17) days at full pay shall be granted to all full-time (regularly employed with thirty-five (35) hours or more per week) ten (10) month employees. Full-time employees may accumulate unused sick leave to a maximum of two hundred and forty (240) days.

All cafeteria personnel regularly employed thirty-four (34) hours per week or less are entitled to ten (10) units (equated days) of sick leave and may accumulate unused sick leave to a maximum of one hundred and twenty (120) equated days.

Sick leave shall not cover those days' employees are not regularly scheduled to work; i.e., days off at Christmas and extra days. Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness in the immediate family or household, and as otherwise may be defined in Section 24-6 of the Illinois School Code. A physician's certificate may be required for personal illness or injury absence.

It is understood that the term "immediate family" shall be construed as: spouse, parent, child, brother, sister, grandparents, parents-in-law, brother or sister-in-law, son or daughter-in-law, grandchildren or legal guardian.

If your shift begins before 7:00 am, you must call your supervisor at least one hour before your report time. If you fail to provide the proper notification, you will not be allowed to use an earned sick or personal leave day. Employees must notify your supervisor before a shift begins if you need to leave your job early. You will not be allowed to leave early if you fail to provide advance notice, except in emergency situations. Employees who fail to report to work and fail to report their absence in advance (no call, no show) will be dismissed from employment after three (3) occurrences. Absence due to assault while in the performance of duty shall not be charged against the employee's normal sick leave.

Deduction of sick leave and personal leave for full-time (regularly employed with thirty-five (35) hours or more per week) cafeteria staff shall be as follows:

- 1/2 hour to 2 hours = 1/4 day
- after 2 hours - 4 hours = 1/2 day
- after 4 hours - 6 hours = 3/4 day
- over 6 hours = full day

Sick leave and personal leave deductions for part-time cafeteria employees is calculated using 1/4 day increments. Each 1/4 day may be different, depending on the number of hours an employee works each day. Example, if an employee regularly earns the following hours per day:

	<u>4 1/2 hours</u>	<u>5 hours</u>	<u>6 hours</u>
1/4 day is deducted if you take off:	1 hour or less	1 1/4 hours or less	1 1/2 hours or less
1/2 day is deducted if you take off between:	1 & 2 1/4 hours	1 1/4 & 2 1/2 hours	1 1/2 & 3 hours
3/4 day is deducted if you take off between:	2 1/4 & 3 hours	2 1/2 & 3 3/4 hours	3 & 4 1/2 hours
1 day is deducted if you take off more than:	3 hours	3 3/4 hours	4 1/2 hours

ARTICLE 16 PERSONAL LEAVE

Three (3) days of approved personal leave (equated to regular daily working hours) may be granted with pay in the event of an emergency or business of a personal nature which must be taken care of during a work day, except those items of business connected with income producing endeavors or with other employment. The appropriate form must be completed and submitted to your supervisor. Requests should be submitted in advance but may be requested for last minute situations. A reason must be provided for days before and after holidays. The form must be submitted to Human Resources bearing the approval of the immediate supervisor. Personal leave is deducted from sick leave when used. Personal leave will not be granted when it is requested to extend a vacation or holiday period.

ARTICLE 17 BEREAVEMENT

Bereavement leave shall be deducted from sick leave and shall be granted as follows:

1. A maximum of five (5) days granted per death of father, mother, spouse, son, daughter.

3. Day of funeral per death of a near relative, not residing in the same household.

ARTICLE 18 MATERNITY LEAVE

Maternity leave may be granted to non-probationary cafeteria employees. Maternity leave is defined as the period of time requested and given prior approval for before and after the birth of a child, during which time the employee is not reporting for duty.

Request for maternity leave shall be made to the Director of Support Services as soon as it is determined that there is a need for such a request. The employee and her doctor shall determine the length of time the employee can safely carry out her full responsibility and inform the Director of Support Services promptly. The date at which the leave is expected to commence and indication of intent to return should be requested.

Those employees eligible under the Family and Medical Leave Act (FMLA) will be allowed up to 12 workweeks of unpaid leave a year. During an FMLA maternity leave, sick leave may be used during the time that the employee is unable to work, to the extent that it has been accumulated. The balance of the leave shall be without pay. The employee may continue fringe benefits during unpaid maternity leave by paying the required premium.

Those employees not eligible under FMLA may request a maternity leave for the time that the employee is unable to work. Sick leave may be used during that time to the extent that it has been accumulated. The balance of the leave shall be without pay.

ARTICLE 19 LEAVE OF ABSENCE

A leave of absence may be granted without pay or fringe benefits, for good cause as defined by Board policy. Employees have the option to pay their fringe benefits during this absence. In the event a leave is granted, it shall not exceed one (1) calendar year, subject to recommendation of the administration and approval of the Board. Individuals on a leave of ten or more consecutive months out of a school year will not receive credit for that year for salary schedule placement nor the determination of seniority.

ARTICLE 20 DOCK DAYS

Employees are encouraged to schedule unpaid absences at times that do not interfere with their job. The school district discourages employees from taking time off without pay for vacations. If an unpaid absence cannot be scheduled so it does not interfere with working days, employees will be allowed a maximum of 1 day per school year. Any additional days off will be considered unexcused, and subject to disciplinary action. All time off without pay must be pre-approved by the Cafeteria Supervisor and the Director of Support Services on a regular District #204 Leave Request form.

ARTICLE 21 COURT APPEARANCES

For school-connected incidents, there shall be no loss of salary or leave days. For jury duty, an employee's salary shall be reduced by the amount of the fee received for services rendered, or the employee may submit the amount earned to the district and there shall be no loss of personal leave. For subpoenaed testimony in court, there shall be no loss of salary unless the employee is party to the court action. For personal cases, personal leave shall be used. Excessive absence due to court appearance will result in disciplinary action.

ARTICLE 22 WAGES

All salaries are determined annually by the Board of Education and shall be effective on July 1 of each fiscal year. When a promotion or demotion occurs, the employee will move to the appropriate salary schedule on the date approved by the Board of Education.

All personnel will receive overtime for hours worked in excess of eight (8) hours in a workday or forty (40) hours in a workweek. Overtime payment is at one and one-half (1-1/2) times the straight time.

Employees who work additional time or leave early will be paid/docked in 1/4-hour increments based on 7/8-minute procedure. This provides for no additional payment or docked time if the time is 7 minutes or less. If an employee works or leaves early eight minutes or more, then a ¼ hour will be paid/docked.

If a person was or is employed during July 1 through March 31, a full year of service credit will be given for that year. If employed after March 31, no service credit will be given for that year. Each employee earning a year of service credit will advance one placement step on July 1 of each year. Advancement is contingent upon continuous employment. Therefore, individuals who leave the district and are re-employed at a later date will begin at the beginning of the wage scale with no service credit.

The following rates per hour shall be effective from July 1, 2022 through June 30, 2023.

Step Two Any employee having a question that relates to a problem or misinterpretation shall present the dispute in writing to their immediate supervisor within five (5) working days of the dispute. The supervisor shall meet with the grievant and shall provide a written response within five (5) working days following the meeting.
