

Cal Q. Leight

The coach called this correspondence school and said, "I sent you a check for \$100 for your course in mental telepathy and I haven't received anything in the mail." She said, "We don't send out our course in mental telepathy by mail, we send it by mental telepathy."

The coach said, "I haven't received anything yet." She said, "I know, you're flunking the course." He said, "I'll sue you. Do you ant to talk to my lawyer?" She said, "Sure, tell him to send me a check for \$500."

I flunked the course last week, 12 out of 21, but then, I wasn't myself last week. Now we really get going.
