Entry 9 Enrollment & Retention

Completed - Jul 28 2022

[Instructions for submitting Enrollment and Retention Efforts](#)

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2021-2022 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school’s plans for meeting or making progress toward meeting its enrollment and retention targets in 2022-2023.

Entry 9 Enrollment and Retention of Special Populations

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2021-2022	Describe Recruitment Plans in 2022-2023
	This year, we continued our initiative by having information sessions in local daycare centers and preschools, whose population is predominantly economically disadvantaged, to establish and maintain a	

Economically Disadvantaged	relationship with the parents and staff of these centers and expand the community's awareness of our school. These demonstrations were done both virtually and in person. We also purchased local billboard advertising space in ten locations and ran advertisements on those billboards for four weeks.	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.
English Language Learners	We continued our recruitment of ELL students by hosting information sessions in community centers, churches, and UPKs in targeted neighborhoods in the Bronx and distributing flyers through local businesses and apartment houses. We also provided our application in Spanish, which is the alternative language of the community. Additionally, we purchased local advertising space in Spanish-printed publications.	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.
Students with Disabilities	We make a clear statement in all communications sent to families that all students are encouraged to apply for the enrollment lottery, including students currently on or being evaluated for IEPs. During our outreach, we explain to potential parents the systems we have in place to guarantee their child is going to receive the full services required by their IEPs. This includes, but is not limited to, learning specialists, outside providers for speech and occupational therapy, and small group instruction. We also offer	We will continue our recruitment outreach plan, as done this year, and increase our social media presence.

	opportunities for potential parents to speak with our Director of Support Services to provide an understanding of how services will be provided to their children.

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2021-2022	Describe Retention Plans in 2022-2023
Economically Disadvantaged	We offered a comprehensive student support program, which is staffed to provide services for the needs of our student population (e.g. guidance counselors and behavior consultants). We maintained a small-school environment with a "warm/strict" school culture that offers students explicit instruction in positive character development, and clear and consistent behavioral expectations. We maintain frequent communication with parents about their child's development.	We will continue our retention efforts, as done this year.
English Language Learners	We have appointed an RTI Coordinator to ensure that the needs of all ELL students are met. We ensured the academic needs of all students were met with support from our Academic Leaders and ELL teacher. We ensured that in addition to all requirements, ELL students receive adequate academic support from their classroom teachers. We continued to provide parents/guardians of ELL students avenues to provide	We will continue our retention efforts, as done this year.

	feedback and express concerns through our conferences.	
Students with Disabilities	<p>Our school continues to develop strategies to meet the needs of its special education students. The guidance department has expanded in order to provide social and emotional support to students with behavioral challenges. In addition, we continue to partner with the community agencies that provide related services to our students. This school continued to engage parents in understanding their child's IEPs and advocate on his/her behalf. IEP meetings were held on a yearly basis and we continued to meet the needs of all students with IEPs.</p>	We will continue our retention efforts, as done this year.

Entry 10 - Teacher and Administrator Attrition

Completed - Jul 28 2022

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at http://www.nysed.gov/common/nysed/files/programs/charter-schools/employee_fingerprintoct19.pdf or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospa/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Completed - Jul 28 2022

[Instructions for submitting School Calendar](#)

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2022 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2022**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools *"... unless the school's charter requires more instructional time than is required under the regulations."*

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month. See an example of a calendar showing the requested information. Schools are encouraged to use a calendar template and ensure there is a monthly tally of instructional days.
