**My name is Tam Le (Mr. Le)**, I am new to Painter Elementary School. I am the new Kindergarten and Transitional Kindergarten teacher in the Vietnamese Immersion Program. I have taught first grade and kindergarten for the district for 9 years. I am very excited to be apart of the Vietnamese Immersion Program at Painter.

I am 2nd generation Vietnamese American. My parents were refugees who came America in 1981. My family has been living in the Santa Clara county since 1982. I enjoy going out to eat with my family and friends. I love Vietnamese food, Bun Rieu and Bun Thang are two of my favorites. My wife and I have a son and he's 11 months old. We are currently living in Morgan Hill.

I look forward to meeting all the students and families at Painter.

# Overview of Safety Protocols

- **Parents should still limit their time around campus and observe masking recommendation outdoors and district mandate indoors.**
- **Health checks** will be done at home **by parents** - sick students need to stay home - and again by teachers in the classroom.
  - 5 days quarantine if positive; may return day 6 with **negative test** - **student's first and last name and date written on the test in permanent marker**
  - We will continue to provide notices when there is exposure
- **Isolation room**, our health office, will be used if someone does become ill while on campus
- PPE is available, including gloves and masks. If someone arrives without a mask they should be provided one.
- Everyone will wear **masks indoors at all times**.
- **Masks are recommended outdoors** as well, except when eating, on Alum Rock school campuses.

# Safety Protocols

Los padres aún deben limitar su tiempo en el campus y observar la recomendación de usar cubrebocas al aire libre y el mandato del distrito en el interior.

Los padres realizarán controles de salud en casa (los estudiantes enfermos deben quedarse en casa) y nuevamente los maestros en el salón de clases.

5 días de cuarentena si es positivo; puede regresar el día 6 con una prueba negativa: el nombre y apellido del estudiante y la fecha escrita en la prueba con un marcador permanente

Continuaremos proporcionando avisos cuando haya exposición.

La sala de aislamiento, nuestra oficina de salud, se utilizará si alguien se enferma mientras está en el campus.

El EPP está disponible, incluidos guantes y máscaras. Si alguien llega sin mascarilla, se le debe proporcionar una.

Todos usarán máscaras en el interior en todo momento.

Las máscaras también se recomiendan al aire libre, excepto cuando se come, en los campus escolares de Alum Rock.

# Safety Protocols

Phụ huynh vẫn nên giới hạn thời gian của họ xung quanh khuôn viên trường và tuân theo khuyến cáo đeo mặt nạ ở ngoài trời và sự ủy quyền của học khu trong nhà.

Việc kiểm tra sức khỏe sẽ được thực hiện tại nhà bởi phụ huynh - những học sinh bị ốm cần phải ở nhà - và một lần nữa bởi giáo viên tại lớp học.

Cách ly 5 ngày nếu dương tính; có thể trở lại ngày 6 với bài kiểm tra âm tính - họ và tên và ngày tháng của học sinh được viết trên bài kiểm tra bằng bút đánh dấu vĩnh viễn

Chúng tôi sẽ tiếp tục cung cấp thông báo khi có sự cố

Phòng cách ly, văn phòng y tế của chúng tôi, sẽ được sử dụng nếu ai đó bị ốm khi ở trong khuôn viên trường

PPE có sẵn, bao gồm cả găng tay và khẩu trang. Nếu ai đó đến mà không có mặt nạ, họ nên được cung cấp một chiếc mặt nạ.

Mọi người sẽ luôn đeo khẩu trang trong nhà.

Nên đeo khẩu trang ở ngoài trời, trừ khi ăn, trong khuôn viên trường Alum Rock.

A large, stylized eagle head is centered in the background, with a spotlight effect shining down on it from the top left. The eagle's head is rendered in shades of brown and tan, with a yellow beak. The background is a light blue gradient.

# Family Resource Center, new supervisor **Brenda Garcia**

Hello,

My name is Brenda Garcia-Lujano. I am a mother of 3 curious and amazing boys. As a parent I have advocated for my children’s opportunities. I began working in Somos Mayfair 5 years ago. Growing up with two Mexican migrant parents introduced me the challenges communities faced. I believe nobody should be left empty handed and all should have the same education opportunities to succeed. I’m passionate about helping parents thrive and achieve to make a difference in their home. The smallest action can make a difference in a family and child’s life. I am now the Painter FRC Site Supervisor and am excited to learn more about this community and work alongside the school and families.

Somos operates Family resource Centers (FRC/Room10) as part of a strategy to create Alternative Systems that:

- Move families from isolation to connection
- Provide culturally relevant programming and resources
- celebrate our community’s language and traditions, and
- serve as a hub for community organizing, political education, leadership development, and root cause analysis.

The FRC’s are accessible, safe, and **free of cost.**
