1. **Strategic Plan Update**. An update of the District's Strategic Planning process was provided at the August 8, 2022 School Board meeting. In June, a group of approximately 30 community members and school district representatives gathered to examine the District's Strategic Plan. The planning team affirmed the Strategic Plans' beliefs, objectives, mission, and parameters. The group also considered the concept of strategic emergence as it developed new strategies that will be the District's focus moving forward. The four strategies that were developed and agreed upon by the planning team are:
 1. We will create and sustain a safe, equitable and nurturing environment.
 2. We will promote, encourage and support students' personal learning experiences and aspirations.
 3. We will ensure our organization continuously transforms to fulfill our mission.
