	Civics EOC		160 Minutes
Summer Administration July 10 – 21	Algebra 1 EOC	CBT	180 Minutes
	Geometry EOC		180 Minutes
	Civics EOC		160 Minutes

FAST ELA & Mathematics

- Each subject is administered over one (1) day. Mathematics has two segments; one that uses a calculator and one that does not.
- Hand-held calculators are not permitted unless there is an accommodation. The assessment platform has built-in both a four-function and scientific hand-held calculator, as appropriate.
- Scratch paper (school-provided) should be handed out and collected as a secure material. Reference sheets are built into the assessment platform.

FAST Writing

- Administered in over one (1) day.
- No longer part of the ELA score as writing is a separate and distinct assessment.

Algebra 1 and Geometry EOCs

- All End-of-Course Exams (EOCs) have a practice test. Students must take these practices exams prior to starting their EOC, per Florida law.
- BEST-aligned EOCs are administered over one (1) day.

State Science Assessment (SSA)

- Administered in two (2) sessions in one (1) day.

Religious Holidays

- Some administration windows overlap with religious holidays. Please plan appropriately to ensure testing schedules allow for maximal student participation.
