TREASURE & TALENT

DIRECTOR OF ADVANCEMENT

DYANNE KIMMEL

The Advancement opportunities at Second Baptist School point to the heart of this institution: community. Because of the generosity of our community in donating their *time*, *talent* and *treasure*, SBS is stronger in every way. Your gifts, both tangible and intangible, support our faculty and strengthen our tradition of excellence, whether in the classroom or on the field, around our own neighborhood or across the globe.

We look forward to partnering with you through these opportunities and sharing with you the distinction of the Second Baptist School community.
