Dear Local Businesses,

We are seeking donations for our Positive Behavior Intervention Program (PBIS) at *Rymfire Elementary School* (RES). In order to increase the positive interactions and engagement across our campus, we implemented a RES Track Superstore. Since we are the home of the Roadrunners, our “tracks” symbolize the Roadrunner footprints. Students earn “tracks” for demonstrating our expectations: Be Responsible, Respectful, Safe, and Engaged. Students are invited to spend their tracks in our school superstore, and this is where your partnership is needed.

Our goal is to stack our superstore with highly anticipated items such as the following: sports equipment (basketballs, footballs, soccer balls, etc.), board games, Squishmallows, Pop-Its, sidewalk chalk, jump ropes, Funko Pops, Mini Brands, Fidget Spinners, card games, coloring books, bookmarks, highlighters, sticker books, scented pencils, crayons, and colored pencils.

Thank you for your support. We are dedicated to increasing productive citizens for our community.

Sincerely,

Travis Lee
Proud Principal of Rymfire Elementary School
