

# CLAIRTON ELEMENTARY SCHOOL

## Title I Family Engagement Policy

The Clairton City School District and the families of the students participating in activities, services, and programs funded by Title I-A of the Elementary and Secondary Education Act (ESSA), agree that this compact outlines how the families, the entire school staff, and the students will share the responsibility for improved student academic achievement and build a partnership that will help children achieve the State's rigorous standards. This compact was updated online on June 7-10, 2022, with input by families and goes into effect for the 2022-2023 school year for Clairton Elementary School.

Clairton Elementary School is committed to family engagement as an ongoing partnership. School staff will assist families in meeting their obligation as their child's first teacher, promote dialogue between home and school, and support families as leaders and decision makers at all levels of the education of their children.

We invite families to an annual Title I meeting where the educational program and the rights of families are explained. The Better Together Family Advisory Council meetings, events and workshops are held throughout the year. Planning sessions are held to develop other programs with input from family members.

Information Day, New Student Orientation, Open House, Fall/Spring meetings, Student Conferences, Better Together Family Advisory Council Meetings, as well as special events will provide families with timely information regarding the Title I, II and IV programs, as well as the use of ESSER funds. Information will include, but is not limited to curriculum, academic standards, and assessments utilized by the district to measure student progress. When students require special adaptations to their program at school, Title I support can be coordinated with the family and teachers to meet the needs of the individual student.

The school will keep families informed of their rights and responsibilities as an educational partner including opportunities to formulate suggestions regarding the Title I program. Whole school and individual student achievement will be shared with families in a clear, concise and easy to understand manner during meetings, conferences and reports sent home.

Families will provide input in the planning, review and improvement of the Title I, II & IV programs, Schoolwide Plan, A-TSI School Improvement Plan, as well as ESSER Funds through meetings held during the school year. Families will be involved in the planning, review of improvement of the school's Family Engagement Policy yearly. If families require transportation assistance in order to attend Federal Programs functions, the school may provide transportation as deemed necessary through the Title I program. Some meetings will have collaborative activities for students and families, while others will be designed only for families.
