Hello!

The Wakulla Middle School Wildcat Band is in need of sponsors to support our 2022-2023 School Year and Concert Season! We would love for you/your business to partner with us this year!

The financial support of a business or private sponsor, in the form of a one-time donation, would provide the ensemble with the funds necessary for many long overdue instrument repairs and the purchase of new instruments essential to the ensemble and the education of the students. Additionally, it would enable the program to acquire and repair the accessory materials the students need to grow into successful musicians such as chairs, stands, music, and more! With your help, we can work to eliminate the material and financial barriers that inhibit a student from pursuing a passion for music. Fostering these students' desires to participate in the amazing arts programs Wakulla County has to offer *this year* will have lasting impacts as it will serve to perpetuate a culture of accessibility, importance, and excellence for these programs in the future. The next generation of students will be able to watch and see how beneficial and opportunistic participating in band can be!

If you choose to partner with the Wildcat Band in the 2022-2023 school year and concert season as a sponsor, we will represent your name or logo on a banner that is present at all our performances and events. Your logo or name would also be recognized as a sponsor on each of our concert programs and on our website. Additionally, your family or business could be verbally recognized as a sponsor and supporter of our program at all concerts, sporting events, and other events where we are performing, dependent on the sponsorship level. Since your financial support clearly displays your desire to support the youth of this county, it would be our desire to use our platform to represent and display your generosity back out into the community as we perform.

We hope you would consider sponsoring us this coming year. Please see our sponsorship packages below! If you have any questions, concerns, or would like to sponsor, please do not hesitate to contact me! If you or your business would like to remain anonymous, we could of course accommodate! If you would like to offer donations outside of our sponsorship level amounts, it would be greatly appreciated! Thank you for your time and consideration! I look forward to hearing from you!

Best regards,

Mr. Riley Carrier

Wakulla Middle School Band Director
