

Performing Arts Academy

Sing. Dance. Act. Play.

*Create lasting
friendships!*

Participation in the academy means taking part in one of our fine arts course tracks. These courses alternate every other day so that our students can experience multiple electives with minimal schedule restriction. In addition to Chorus or Band class, students can also participate in:

Creative Writing and Technical Theatre

Drama

3D Art

Although we have specified, pre-grouped tracks, our kids are encouraged to explore *all* areas of our academy!

In Creative Writing and Technical Theatre but decide you want to audition for the play? Great!

In Theatre, but decide you'd like to try sound and lighting for this production? That's wonderful!

Contact Information:

Mr. Jonathan Anderson
Director of Choral Activities
