CITI Education

<https://www.citiprogram.org/>

Register as a new user, using **Louisiana State University Health Sciences Center-Shreveport** as your affiliation. If possible, enter two email addresses. If you use another institution, you may not get credit for the courses you complete. If you already have a CITI account, you do not need to create a new one. Please select **Louisiana State University Health Sciences Center-Shreveport** under affiliations. CITI will automatically populate the courses you have completed and the ones you need to complete for our institution. Please call or email if you need assistance retrieving your user name or adding LSUHSC as affiliation.

SFI/COI disclosure in SHIELDs

After you have completed the **CITI COI** course you can register for the COI/SFI Disclosure on: <https://shieldscoi.lsuhealthsystem.org/>. After you register on SHIELDs, the COI Project Manager will set up your disclosure page. When this is done she will send you an email to re-enter SHIELDs to complete the disclosure process. Even if you have nothing to disclose you must complete this process.

*There are eight questions, which must be answered and the last sentence in red, allows the committee to review your COI disclosure form. If the red box is not checked, your submission will be incomplete and remain in draft status.

Questions re: SFI/COI should be directed to Leshonda Lindsey Leshonda.Lindsey@lsuhs.edu
