## **ONLINE DRIVER EDUCATION STUDENTS**

Welcome online driver education students! Please note, this is not the classroom portion of Driver Education. The classroom portion is done through Davis Connect. The following information is for the driving portion to acquire your license. The following needs to be completed and turned in to Coach Freeland while you are in the class. After I have everything, I can schedule you in the driver education car for your required driving lessons.

### **DRIVING INFORMATION**

All online students need to turn in the following items to Coach Freeland's box in the main office at Bountiful High School:

1. A COPY of your learner's permit. Please do not send the original.
2. A receipt for \$100 for driving. Please pay in the main office at BHS.
3. Contact information—best phone numbers to reach you and/or parents/guardians
4. Complete simulators before you turn in the above paperwork (items 1-3). Information for Street Smarts is on the next page.

I will receive an email from Street Smarts when you have passed all your simulator lessons with 80% or above. Please print the two certificates—Street Smarts and Rail Safety-- upon completion.

### **STUDENTS WILL BE CONTACTED BY THE TEACHER TO SCHEDULE LESSONS**

We will do our best to help you as soon as possible. We schedule students based on birthdays listed on permits. If you are on deadlines, please let me know as soon as possible. All driving appointments scheduled need to be attended. Missing or showing up late is not acceptable. Please be on time—that means 10 minutes early. \*\*Fees will apply to missed appointments.\*\*

## Tips and Common Issues

- When you click the "Launch Lesson" button, the lesson will open in a new window. If you click the button and nothing happens, the lesson may already be open in a hidden window.
- Each section of the lesson must be completed before you can advance to the next section. If you exit a lesson before finishing, make sure you click "Resume" when you launch the lesson again. If you do not click resume it will take you to the beginning of the training.
- A minimum score of 80% must be achieved on the lesson quiz or challenge before the lesson will be marked as complete. If you do not get 80% the first time, you will need to retake the quiz to get a passing score.
