

DUAL CREDIT PERMISSION FORM
(Arrive Late or Leave Early)

Your child has enrolled in a dual credit class either through Eastern Kentucky University and/or Somerset Community College. These courses are rigorous in nature and often involve outside work. Sometimes, the students will need to do research at the library, have access to a computer, and/or contact a college advisor/teacher.

In order to have time to do outside tasks, your child has been granted the opportunity to arrive late and/or leave early on the days that his/her 1st or 6th period is not in session. Students must park in the front lot and check out in the designated location.

If he or she abuses this privilege by arriving later than the beginning of 2nd period and/or leaving earlier than 6th period (or authorized time), this privilege may be revoked.

Please, sign below to be granted permission. (This form is valid for one school year)

I hereby grant, _____, my permission to arrive late and/or leave early on the days his/her dual credit class is not meeting.
