

ENHANCING STUDENT ACHIEVEMENT POLICY

Mission Statement: The mission of Madison Southern is to Teach, Empower, Affirm, and Motivate. We will...

- **TEACH** skills needed for present and future success.
- **EMPOWER** students to be life-long learners.
- **AFFIRM** students as valuable individuals who can contribute to their community.
- **MOTIVATE** students to set and reach high goals for themselves.

Vision Statement: Our Vision is to be the most effective place for students to acquire the skills need for success.

To accomplish this mission and vision, SBDM policies will be developed that:

- Contribute to accomplishing this mission and
- Contribute directly or indirectly to enhancing student achievement by improving teaching and learning at our school.
