The Principal will assign the use of school space during the school day in a manner that will:

1. Take each student's developmental needs into account.
2. Facilitate the implementation of our school improvement plan.
3. Maximize staff opportunities for sharing resources, mentoring and collaborating with teachers and students of similar grade levels, subject areas, or collaborative groups for consecutive years.
4. Academic performance
5. Class Size
6. Program space needed.
7. Accessibility for persons with disabilities
8. Supervision of students, safety and overall effective school management.

After assigning classroom space, the principal may alter those assignments:

1. When necessary to respond to unanticipated enrollment or staffing changes.
2. When the council changes other policies or the school improvement plan and recognizes in the minutes that those changes may require space use changes that cannot be put off until the next school year.

Assignment of Non-Classroom Space

For non-classroom space, the principal will make decisions based on school needs.
