

## **Summer School Policy**

Summer School may be available through our Extended School Services program as a supplement to the typical school year. Students who failed to meet the requirements for passing a course during the regular school year may be eligible to receive credit after successfully completing summer school.

To be eligible for credit in summer school the student must have earned a final score above 50% in the course during the regular school year. Students with a percentage lower than 50 % must retake the course during the regular school year.

Adopted 12-18-2007
