# THE WILDCAT WAY

It's game week Wildcat fans!!!

What a great feeling to have the entire campus busy again!

Our athletes and staff worked very hard during the summer, training mentally and physically, for the upcoming season! This summer our entire coaching staff continued our professional development with local counselor and life coach, Brandon Gantt. It was a great time of learning and growth! We learned better ways to listen and work through conflict, find joy and gratefulness in challenging times, ways to rest our minds and ways to improve communication skills.

We are eager to get our Wildcats on the fields and courts this week! This Thursday our volleyball and football teams kick off their seasons and they are all home games! We would love to see you there!

3:30 - Varsity volleyball vs. Lamp

4:30 - JV volleyball vs. Pike Road

5:30 - Varsity volleyball vs. Pike Road

7:00 - Varsity football vs BTW Tuskegee

VIP Volleyball parking will not be available on Thursday. It will begin at the next home game.
