2. BUS GROUP 1 (2-3 busses depending on order)
3. PURPLE CAR RIDER GROUP
4. BUS GROUP 2 (2-3 busses depending on order)
5. GREEN CAR RIDER GROUP
6. BUS GROUP 3 (Remaining busses)

## **Car Rider Dismissal Process:**

- All car riders will be put into one of 4 color groups (red, purple, green, orange)
- Parents will be given a sign (2 per kid, extras in the office) on the color paper that is their group assignment (green group = green paper sign).
- Cars will be let into the parking lot based on color (Red group first, then purple, then green, then orange). This will prevent a traffic jam in the lot.
- Staff will hold up a color letting them in when it is their group's turn.
- Students will be dismissed from classrooms with an announcement by color group.
- Groups will be mixed up with multiple grades and families/carpools will be in the same group
- We will keep the dismissal group order the same every day.
