

VICTOR VALLEY HIGH SCHOOL

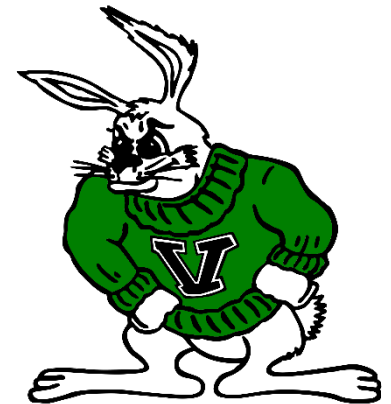

Family Engagement Center

The Family Engagement Center at VVHS was created to provide parents with the resources they need to keep their children safe and successful. The VVHS Family Engagement Center (FEC) is dedicated to our community of students and families with resources to help them be successful. The FEC is a one stop shop of information for families. The center is located in the front office, providing support with AERIES, workshops, volunteering opportunities and resources.

SERVICES OFFERED
