TRAFFIC AND  
PARKING  
GUIDELINES

The following guidelines must be following in regard to student and staff parking:

1. A request for a vehicle parking permit must include the driver's license number and proof of motor vehicle insurance.
  2. Students and employees may park only in designated parking lots.
  3. The District does not accept responsibility for any damage to cars parked on school property.
  4. The student and staff handbooks will reflect expectation for proper parking procedures.
