J. Oliva Huot Center Students School Activities - Permission to NOT attend the Huot Center

I give permission for my student _____
(Student Name)

to stay at ILMHS to attend _____
(Inter-Lakes Activity)

I understand it is the responsibility of the student to talk to their Huot Teacher about this absence and to make plans regarding any missed assignments.

Two missed days per week for ***approved school activities** (see list below) is allowed if the student is in good academic standing at Huot. Students who are not passing their Huot class, or have accumulated **more than five absences** may not stay at ILMHS for activities. The understanding is that these rules from ILMHS will be followed even if the Huot teacher gives permission to skip class.

School activities are not equivalent to one Huot class period, thus, students will likely have time remaining after the activity at ILMHS has concluded. If students are in good academic standing, they may sign out with parent permission (Please check yes or no below to give permission). Otherwise, students will remain in the library to work on remediation for classwork.
