

FAQs About Free and Reduced-price School Meals in the NSLP and SBP

Dear Parent/Guardian:

During the transition back to normal school operations in school year 2022-23, the **Plymouth Public Schools** has opted in to the School Meals Assistance Revenue for Transition (SMART) funds providing meals (breakfast and lunch) at no cost for all students at the beginning of the school year. Please note that meals at no cost to all students *are unlikely to last all year and are subject to the availability of district funds*. Since the availability of meals at no cost will expire when all funds have been expended, it is critical that households submit a free and reduced-priced meal application as soon as possible to determine a student's eligibility for this school year and avoid unpaid meal charges.

Completing and submitting an application will also help your child's school raise additional funds to help us make meals available to all students at no cost for as long as possible. The district will notify parents and guardians of the date when students who are not directly certified or have no approved application on file will be expected to pay for their meals. Note: Households that do not submit a free or reduced-price application or whose child is not directly certified, will automatically default to full pay when the SMART funds conclude.

This packet includes an application for free and reduced-price meal benefits and detailed instructions.

Note: Children receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Family Assistance (TFA) or Medicaid (HUSKY A) benefits *may* be directly certified and automatically eligible for free meals without applying for benefits. (Some children who receive Medicaid (HUSKY A) benefits **may** also be directly certified and automatically eligible for *reduced-price* meals.) Questions regarding SNAP/TFA/Medicaid and direct certification should be sent to the determining official, Robin Gudeczauskas, 860-314-2761.

If you have received a NOTICE OF DIRECT CERTIFICATION for free or reduced-price meals, **do not** complete the application unless instructed to do so by the district. Let the school know if any children in your household are **not** listed on the **Notice of Direct Certification** letter you received, since free or reduced meal benefits are extended to all children in a household when directly certified.

Additionally, all school-aged children in income-eligible households can receive school meal benefits regardless of a child's immigration status and the district/school does not release information for immigration-related purposes in the usual course of operating the Child Nutrition Programs. Plymouth Public Schools complies with the federal requirements for meal modifications for children with special dietary needs. The requirements for meal modifications are different for children with and without disabilities. For more information, please contact the food service director, Alicia DaPonte at 860-314-2777, ext. 4721.

The answers to the common questions below can help you with the application process.

1. Who can get free or reduced-price meals?

- All children in households receiving SNAP or TFA benefits are eligible for free meals. Note: *Some* students receiving Medicaid (HUSKY A) benefits are eligible for free or reduced-price meals.
- Foster children that are under the **legal** responsibility of a foster care agency or court are eligible for free meals. (Note: A foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.)
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless or runaway are eligible for free meals.
- Children may receive free or reduced-price meals if your household's income is within the limits of the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart:

Federal Reduced Eligibility Income Chart (Effective July 1, 2022, to June 30, 2023)

Each additional family member	+ 8,732	+ 728	+ 168

- 2. How do I know if my children qualify as homeless or runaway?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you

believe children in your household meet these descriptions and you have not been told your children will get free meals, please call or e-mail Kathleen Mozak-Pezza at 860-314-8055.

3. **Do I need to fill out an application for each child?** No. Use **one** *Free and Reduced-price School Meals Application* for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Robin Gudeczauskas, Plymouth Public Schools, Central Office, 27 N. Harwinton Avenue, Terryville, CT 06786.
4. **Should I fill out an application if I received a letter this school year saying my children are already approved for free or reduced-price meals?** No, but please read the letter carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact Robin Gudeczauskas, 860-314-2761 or gudeczauskasr@plymouth.k12.ct.us immediately.
5. **Can I apply online?** No. Not at this time.
6. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.
7. **I have not submitted an application within the past two years. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.

8. **I get WIC. Can my children get free meals?** Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.
9. **Will the information I give be checked?** Yes. We may also ask you to send written proof of the household income you report.
10. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
11. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing Matthew Tencza, Business Manager at 860-314-2768 or tenczam@plymouth.k12.ct.us
12. **May I apply if someone in my household is not a U.S. citizen?** Yes. You, your children or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.
13. **What if my income is not always the same?** List the amount that you **normally** receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
14. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. When this happens, please write "0" in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you **meant** to do so.
15. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
16. **What if there isn't enough space on the application for my family?** List any additional household members on a separate piece of paper and attach to your application. Contact Robin Gudczauskas, 860-314-2761 or email at gudczauskasr@plymouth.k12.ct.us to receive a second application.

17. My family needs more help. Are there other programs we might apply for? To find out how to apply for SNAP benefits and to contact the Department of Social Services office in your town, contact United Way's free referral number **2-1-1** (free call, statewide).

If you have other questions or need help, call 860-314-2761.

Sincerely,

Robin Gudeczauskas

How to Apply for Free and Reduced-price School Meals

Please use these instructions to help you fill out the application for free or reduced-price school meals. You only need to submit one application per household, *even if your children attend more than one school in Plymouth Public Schools*. The application must be filled out completely to certify your children for free or reduced-price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on the application. If at any time you are not sure what to do next, please contact Robin Gudeczauskas, Business Office, Plymouth Public Schools at (860) 314-2761 or email at gudeczauskasr@plymouth.k12.ct.us

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

Step 1: List all household members who are infants, children, and students up to and including grade 12 Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household. Who should I list here? When filling out this section, please include ALL members in your household who are: • Children age 18 or under AND are supported with the household's income; • In your care under a foster arrangement, or qualify as homeless or runaway youth; • Students attending Plymouth Public Schools, <i>regardless of age</i>.			
A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, please print clearly. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.	B) Is the child a student in the district? List the name of the school, the grade and mark "Yes" or "No" under the column titled "Student" to tell us which children attend school in the district. If you marked "Yes," write the grade level of the student in the "Grade" column.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. <i>Foster children who live with you may count as members of your household and should be listed on your application.</i> If you are applying for both foster and non-foster children, go to step 3.	D) Are any children homeless, runaway or in a Head Start Program? If you believe any child listed in this section meets this description, mark the "Head Start or Homeless/Runaway" box next to the child's name and <i>complete all steps of the application</i> .
Step 2: Do any household members currently participate in SNAP or TFA? If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals: • The Supplemental Nutrition Assistance Program (SNAP) • Temporary Family Assistance (TFA)			
A) If no one in your household participates in any of the above listed programs: • Leave STEP 2 blank and go to STEP 3.	B) If anyone in your household participates in any of the above listed programs: • Write a case number for SNAP or TFA. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your DSS social worker. Note: Do not use a HUSKY Medical Benefits number since this number is not a SNAP or TFA case number. It is also recommended (but not required) that you submit proof of this SNAP or TFA case number when you submit the application for processing. Proof does NOT include a copy of the CONNECT card. • Go to STEP 4.		
Step 3: Report income for all household members How do I report my income? • Use the charts titled "Sources of Income for Children" and "Sources of Income for Adult," printed on the back side of the application form, to determine if your household has income to report. • Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents. - o Gross income is the total income received before taxes. - o Many people think of income as the amount they "take home" and not the total "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay. • Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated. • Mark how often each type of income is received using the check boxes to the right of each field.			

How to Apply for Free and Reduced-price School Meals

3.A. Report income earned by children	
A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.	
What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.	
3.B. Report income earned by adults	
Who should I list here? - When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, <i>even if they are not related and even if they do not receive income of their own.</i> Do NOT include: - People who live with you but are not supported by your household's income AND do not contribute income to your household. - Infants, children and students already listed in STEP 1.	
B) List adult household members' names. Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." <i>Do not list any household members you listed in STEP 1. If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.</i>	C) Report earnings from work. Report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. What if I am self-employed? Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.
E) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/All Other Income" field on the application.	F) Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced-price meals.
Step 4: Contact information and adult signature	
<i>All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.</i>	
A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced-price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.	B) Print and sign your name and write today's date. Print the name of the adult signing the application and that person signs in the box "Signature of adult." C) Mail completed form to Plymouth Public Schools, Attn: Robin, 27 N. Harwinton Ave., Terryville CT 06786
D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced-price school meals.	

Does Your Family Need Health Insurance?

Connecticut offers low-cost or free coverage!

Dear Parent/Guardian,

Is your child protected by health insurance? If not, your school and the State of Connecticut want to help. Connecticut's HUSKY Health program, for example, pays for doctor visits (including physical exams), prescriptions, emergency care, vision and dental care, mental healthcare, special healthcare needs and more. It's for children under age 19 in families under specific income limits. Approximately 360,000 Connecticut children now have their healthcare covered by the HUSKY Health program. **There are two parts to the HUSKY Health program for children:**

- I. **HUSKY A** (or Medicaid) - For children in families with limited income. Parents, relative caregivers and pregnant individuals may also be eligible.
- II. **HUSKY B** (or Children's Health Insurance Program) - For uninsured children in families with higher incomes. Pregnant individuals who do not qualify for Medicaid due to immigration status may qualify for HUSKY B-Prenatal Care.

You can apply for and enroll in HUSKY A or HUSKY B any time of the year.

- To apply **online**, please visit AccessHealthCT.com
- To apply by **phone**, please call **855-394-2428** (If you are deaf or hearing impaired, you may use the TTY at 1-855-789-2428 or contact us with a relay operator.)
- For general information about HUSKY Health, please visit www.ct.gov/Husky

Your child needs YOU to stay healthy, too!

When you apply for HUSKY Health for your child, see what Access Health CT has to offer you.

Most Connecticut residents can enroll at any time, so you should not wait to apply if you need healthcare coverage. Some coverage options require that you enroll during an Open Enrollment Period (usually November 1–January 15) or a Special Enrollment Period (SEP) if you have a Qualifying Life Event (see below for more information).

There are now more no-cost coverage options available, including the new Covered Connecticut Program. The best way to see what you qualify for is to contact Access Health CT today.

What is a Qualifying Life Event? Qualifying Events include:

Losing your coverage due to job change/loss

Marriage

Permanent move to Connecticut

Pregnancy, birth, adoption or foster care

Change in tax dependent status as a result of Divorce, or other Legal Decree or Court Order

Newly eligible/ineligible for Premium Tax Credit (a type of financial help) due to a change in income

Loss of Coverage Due to Other Circumstances:

- Losing coverage you had through your spouse or parent
- Expiration of COBRA
- No longer eligible for HUSKY Health
- No longer eligible for Cost-Sharing Reduction Plan (a type of financial help)

For More Information, visit AccessHealthCT.com

Addendum C: Information on the Supplemental Nutrition Assistance Program (SNAP)

Dear Parent/Guardian:

If your children qualify for free school meals or milk, you might also qualify for **SNAP** (formerly called Food Stamps). SNAP helps people buy food for themselves and their families. SNAP benefits are issued each month on plastic debit cards. You can use SNAP benefits to buy food at major supermarkets, neighborhood grocery stores, and some farmers' markets authorized to accept SNAP.

How to Qualify

If and how much SNAP you qualify for depends on:

- your household's income;
- allowable deductions to your household's income (examples include monthly shelter expenses, medical bills, and court ordered child support);
- your household size; and
- at least 5 years U.S. residency for qualified non-citizens.
