

**\*\*REMINDER\*\***

**TO ALL PARENTS OF CURRENT 6<sup>TH</sup> GRADERS**

**IMMUNIZATION REQUIREMENTS**

This is a reminder that you will need to verify that the immunization requirements for your child have been met **PRIOR** to your child entering the 7<sup>th</sup> grade.

To keep his/her immunization record in compliance with the Florida State law, proof of the needed requirements must be presented to the school. **You must provide documentation of the immunizations on a Florida Certificate of Immunization Form.**

**All students, prior to entering 7<sup>th</sup> grade, must have a Tdap (Tetanus, Diphtheria and Pertussis) immunization.**

**A second MMR immunization and have the Hepatitis B Series (3 shots) series completed (or if not completed, at least started and up to date) no later than July of 2014.**

There is a state requirement that seventh graders must have Hepatitis B Series (3 shots) and be current in the series, a Tdap immunization and second measles immunization.

**When your child has received the necessary immunizations, obtain a completed Certification of Immunization Form and return it to Mrs. Lee in the Main Office as soon as possible.**

We would appreciate your child getting his/her immunization requirements at the earliest possible convenience. Feel free to call me to check your child's status. **PLEASE DO NOT WAIT UNTIL THE LAST MINUTE.**

Thank you.

Jessica Herbold, Registrar  
River Springs Middle School
