Dear Parents/Guardians,

Do you need extra food sent home each weekend? If so, please read this form.

Thornton Academy is participating in the Backpack Program. The Backpack Program allows us to send supplemental food home with your student if your family needs some extra food each weekend. Please fill out this form if your family would like supplemental food each weekend. Please disregard this form if you do not need this support.

Students that participate in the backpack program will be contacted early in the fall. Students will be given a confidential location to pick up a bag of non-perishable food each weekend. Confidentiality is important to us so the names of any participating students or families will not be shared.

Please e-mail Christina Colpritt at christina.colpritt@thorntonacademy.org to sign-up or if you have any questions regarding the Backpack Program. You can also return this form to MaryAnn Martin in the school counseling office.
