

Finding articles in newspapers and popular magazines

Using Sophi Search

- Do a general search for the topic
- Limit to News under Resource Type (**Note:** The News limiter can be helpful, but it also removes potentially useful results from popular magazines and small papers.)
- Use the Publication date slider to limit to current articles

A horizontal slider interface for selecting a publication date range. It features two input boxes at the top containing the years '1880' and '2016', with the text 'Publication Date' centered between them. Below the boxes is a horizontal bar with a double-headed arrow in the center and small vertical bars at each end, indicating the range of available dates.

Resource Type

- All Results
- News (32,404)
- Magazines (109,146)
- Academic Journals (28,029)
- Reviews (10,409)
- Books (7,541)

- Try adding Texas as a second search term

The Sophi Search interface displays the search results for the query 'gun control AND Texas'. The search bar contains the text 'gun control' and a dropdown menu labeled 'Select a Field (optional)'. Below the search bar, there are three rows of search terms, each with a dropdown menu labeled 'Select a Field (optional)'. The first row contains 'AND Texas', the second row contains 'AND', and the third row contains 'AND'. The Sophi Search logo is visible on the left side of the interface.
