

# PENINSULA 2026

*Inspiring and Empowering  
Every Child, Every Day*

<b>Our VISION</b>	To inspire and empower every child, every day.
<b>Our MISSION</b>	To be the best school district in the state that prepares every child to be a successful global citizen by providing innovative, rigorous programs set within a culture of belonging.
<b>Our VALUES</b>	<p><b>EXCELLENCE</b> - We believe all children deserve support on their own unique journey to excellence.</p> <p><b>Character</b> - Every child is expected to be hardworking, respectful, honest, and kind.</p> <p><b>Confidence</b> - Every child is encouraged to be courageous, take chances, and follow their dreams.</p> <p><b>Culture</b> - Every child belongs, matters, and will be provided an environment in which to succeed.</p> <p><b>Curiosity</b> - Every child is given opportunities to wonder, explore, and create every day.</p>

## Our GOALS

Academic Excellence	Innovation	Fiscal Responsibility	Learning Environment	Community Engagement
<p><i>We will provide every child with a high-quality education that is personalized and responsive to their unique learning needs.</i></p>	<p><i>We will develop and adopt practices and programs that encourage children to remain curious, take chances, and learn from failure.</i></p>	<p><i>We will efficiently and transparently align human, financial, and physical resources to support effective, innovative, educational programs and facilities.</i></p>	<p><i>We will ensure an inclusive community and culture where everyone is safe, valued, respected, and finds a sense of belonging.</i></p>	<p><i>We will foster relationships with parents, caregivers, and our community built on mutual respect, collaboration, communication, and our shared commitment to student success.</i></p>
Objectives	Objectives	Objectives	Objectives	Objectives
<ul style="list-style-type: none"> <li>Establish growth targets for all students from preschool through graduation to learn and achieve at high levels.</li> <li>Expand systems to support growth at each student's individual pace of learning.</li> <li>Promote professional development opportunities to cultivate a highly trained, highly-motivated instructional staff.</li> </ul>	<ul style="list-style-type: none"> <li>Transform the mindsets of learners to inspire curiosity, creativity, and a sense of wonder.</li> <li>Foster a culture of risk-taking within learning communities.</li> <li>Empower educators to develop innovative student-centered practices.</li> </ul>	<ul style="list-style-type: none"> <li>Share financial information that is easy to understand to promote transparency and accountability.</li> <li>Provide effective, efficient, and innovative service models for district-wide operational systems.</li> <li>Attract, develop, and retain a high-quality and diverse staff.</li> </ul>	<ul style="list-style-type: none"> <li>Develop inclusive learning environments that are safe, innovative, equitable, flexible, and accessible for all types of learners.</li> <li>Create a district-wide culture where the well-being, social-emotional, and health needs of every student and staff member are prioritized.</li> <li>Optimize learning environments by building, maintaining, modernizing, and adapting facilities to meet the needs of every student, staff, and community member.</li> </ul>	<ul style="list-style-type: none"> <li>Expand meaningful partnerships for parents, caregivers, and community members to positively impact student learning.</li> <li>Ensure district communications are clear, timely, accurate, and consistent.</li> <li>Support opportunities for every student, parent, caregiver, staff, and community member to have a voice to impact continuous growth and improvement.</li> </ul>
