MEDICALLY NECESSARY FORM

New Horizon High School must verify all medical absences because it is imperative that students attend all classes on a daily basis. Students that are required to use this form have had ongoing attendance issues and may have received legal intervention from law enforcement and/or juvenile probation because of excessive absences.

A student at New Horizon cannot progress in their education if they continue to have excessive absences. If it is medically necessary for a student to miss school, this form needs to be completed by the doctor's office and returned to the school on the following day.

To be completed by the patient:

Patient's Name: _____

Physician's Office: _____

Phone #: _____

To be completed by the Physician's office:

It is MEDICALLY NECESSARY for _____ to miss school today.

(patient name)

Physician's Name (printed): _____

Physician's Signature: _____

Date of Appt: _____

Time of Appt: _____

Comments (specific instructions needed if student is going to miss more than the day of the appointment):
