Principal's Welcome

Welcome to Pfeiffer Intermediate School! We are excited about the upcoming school year and anticipate that we will have another great year at Pfeiffer. Please take some time to read through our handbook with your student in order to familiarize yourself with our policies and procedures. The policies and procedures are in place to help create a safe and orderly environment for learning. We appreciate our parents' support, and know that we must work together for the benefit of the students.

The other purpose of the handbook is to help keep students organized during the year. Students will be utilizing an electronic planner. Details for how to access your child's planner will come from their homeroom teacher. Parents should review the planner each day to help their student complete assignments on time, and to communicate with their child's teacher.

Our biggest expectation for students is to have excellent "attitude and effort" every day. We believe that if students have an excellent attitude about learning and give excellent effort to complete assignments, success is all but guaranteed. We are here to work with you and for you, and trust you will be involved with your child's educational experience. We look forward to partnering with you in order for your child to be as successful as possible while at Pfeiffer Intermediate School. If you have any questions or concerns, please feel free to contact your child's teacher, counselor, or myself.

On behalf of the entire staff and our parent support group, CUBS, we welcome you and are glad you are with us!

Let's have a great year!

Jamie Salvino

STUDENT PLANNER

Students should carry their chromebook and can access their planner through their Google Classroom account. Students will also be given a small planner for tracking assignments and homework daily in a format that is not digital.

ADMITTANCE TO PERRY LOCAL SCHOOLS

ENTRY OR WITHDRAWAL: Section 3313.672 Ohio Revised Code requires students enrolling in any school to supply the following:

1. Copy of an original birth certificate and social security number
2. Copies of school records from the most recently attended school
3. Proof of residency and any custody papers
 - If this information is not furnished within 14 days, the principal is required to report to the local law enforcement agency the possibility of a missing child.
 - Pupils withdrawing from the school because of moving, or for any reason, should let the office know in advance of the planned move. Report to the office the morning of the last day attending school.
 - Grades and other records will be released when we receive a request for them from your new school. All fees, fines, and/or charges must be paid prior to withdrawal of the student.

ATTENDANCE PROCEDURES

- I. **Students are not permitted in the building before 7:35.** At the 7:35 bell, all students will go to their lockers and then to their assigned homeroom.
- II. **ABSENCE OF ANY KIND:**
 - A written note must be brought to the office before 1st Period.
 - Written excuses are mandatory even if the parent has called.
 - You have a day of grace to bring in excuses. Failure to get an excuse in by the second day of your absence could result in that absence being unexcused.
 - If arriving late following an absence, check in at the main office with your excuse.
- III. **EARLY DISMISSAL PROCEDURE**
 - **Stop in the office in the morning and present your note from parent/guardian requesting an early dismissal. The note should state the reason.**
 - An early dismissal slip will be issued to you from the main office.
 - When the time arrives for you to be dismissed, show the early dismissal slip to the teacher.
 - Report to the office and show the slip to the secretary.
 - Take the slip with you to the dentist, doctor, etc. to be signed.
 - **Bring the slip with you on your return to school.**
 - Parents or guardians must pick you up.
 - **If your early dismissal is during the day, you need to come to school and return, if possible.**
- IV. **TARDY TO SCHOOL**

Parents must drop off students no later than 7:50 in the morning.

Students who are late to school are to report to the office, and they will be marked tardy. The lone exception is for a late bus. A letter will be sent home if a student is tardy three (3) times during a nine weeks period. Anything after three (3) tardies may result in disciplinary measures.
- V. **ABSENCE AND TESTS**

If you have a one-day absence on an announced test day, you will be required to make up the test on your first day back to school.

REPORTING OF ABSENCE

If your child is absent, we ask that parents call our office prior to the start of school to report them off. If we do not receive a call, our office will attempt to call home or work to verify the student's absence.

ABSENCE DURING PART OF THE SCHOOL DAY FOR HEALTH REASONS:

Because of the importance attached to good health, students who have appointments for health reasons shall be excused for that purpose, provided:

- a. The student has a statement to that effect from his/her parents.
- b. The student brings to the main office a signed statement from the doctor or dentist to the effect that he/she reported promptly for such service.
- c. **The student reports back to school immediately after his/her appointment if school is still in session.**

ABSENCE DURING LUNCH PERIODS

Pfeiffer Intermediate School students will not be permitted to leave the school grounds during their lunch periods.

EXCUSED ABSENCES

In compliance with Ohio Revised Code 3321.04, the Perry Board of Education accepts only the following as legal reasons for absence from school. Each absence shall be explained in writing by the student's parent or guardian. A parent or guardian shall sign the excuse.

A written excuse for absence from school may be approved only on the basis of any one or more of the following reasons or conditions:

- Personal illness - the attendance office may require the certificate of a doctor if she/he deems advisable.
- Illness in the family - the absence under this condition shall not apply to children under fourteen (14) years of age.
- Quarantine of the home - the absence of a child from school under this condition is limited to the length of the quarantine as fixed by the proper health officials.
- Death of a relative - an absence arising from this reasonable cause is limited to a period of two (2) days unless the applicant child for a longer absence shows a reasonable cause.
- Observance of religious holidays - any child of any religious faith shall be excused if his/her absence was for the purpose of observing a religious holiday consistent with his/her creed belief. Absence for any reason other than those cited above presumably is illegal and constitutes truancy. A normal absentee rate would be three to five days per year for each student. Students whose absenteeism exceeds the normal rate may be referred to the district attendance office. Students who intend to be absent from school for any reason other than illness must confer with the principal before being absent from school to determine whether or not the absence will be excused.
- **IN ALL CASES, ANY ABSENCE MUST BE EXPLAINED TO THE SCHOOL IN WRITING** upon your child's return. Any absence will be considered UNEXCUSED until an explanation is received IN WRITING. If you have any questions concerning this policy, please contact the school.

UNEXCUSED ABSENCES

An unexcused absence means a failing grade (50%) for any work missed without the privilege of making it up for credit. Although no grades will be given for make-up work, it is to the student's advantage to make up whatever work is missed. Absence from school because of missing the bus, not waking up on time, or attending non-sanctioned school events is an **unexcused absence**. Leaving school without permission after being in attendance also constitutes an unexcused absence or truancy.

CHURCH RETREATS

Students who wish to attend a church retreat without a parent/guardian must complete the following procedure. Prior to the absence, we must have proper documentation from the parent/guardian and a letter on church stationery with anticipated days of absence and nature of the event. The minister or church designee must sign the letter. Students will be expected to make up work that was missed.

COURT INVOLVEMENT WITH ABSENTEEISM:

It is the parent(s) or guardian's sole responsibility to ensure that his/her middle school aged child attends school. Excessive absenteeism from school without medical documentation must be reported, by school officials, to the Stark County Juvenile Courts.

Habitual Truancy

- 30 or more consecutive hours
- 42 or more hours in one school month
- 72 or more hours in one school year

ILLNESS

In case of illness, notify the teacher, get a written pass, and report to the office immediately. **NEVER LEAVE THE BUILDING WITHOUT REPORTING TO THE OFFICE FIRST!** Office staff will contact parents/guardians on the office phone. Do not use cell phones to contact your parent(s).

VACATION POLICY - Parent/Grandparent-Student Vacation (**Board Policy**)

Students in Perry are permitted to go on vacation during the school year without penalty (**except the week ending each semester**). The purpose of this policy is to accommodate parents or grandparents who want to take their vacations during the school year. The school should be notified one (1) week in advance of the intended vacation so proper arrangements concerning assignments, etc. can be completed. The intention of this policy is to permit families to be together. The purpose of this policy is not to permit students to take a vacation at any time during the school year.

1. The law requires that the absence is unexcused; however, the penalty for this unexcused absence is reduced.
2. For the express purpose of discussing the proposed absence for vacation purposes, a parent/guardian must present himself/herself at the school (or schools) involved and discuss it with the principal. Among other things, the length of the absence should be made clear. The principal and teacher or teachers involved will have an opportunity to express their views on the pending decision of the pending absence.
3. The student can be given his/her books. His/her teachers can tell him/her the approximate material and pages covered. Separate daily assignments will not be given but all major tests and/or major projects missed during this period of absence must be made up within the same period of time missed. (i.e. 5 days of vacation, 5 days to make up work.) However, this is a maximum period of time, the time is really up to the discretion of the teacher.
4. No major make-up tests will be given to the student within the first three days following an extended vacation (i.e. 5 days or more).
5. This policy shall not include the last week of either semester when he/she will definitely be expected to be in attendance (This means student days of attendance.)
6. A student who uses Vacation Policy and does not go with a parent or grandparent will receive zeros for all the days missed. These days will be treated the same as suspension days. They will not count against the student towards the attendance policy.
7. All teachers must be notified.
8. The vacation cannot be more than five (5) school days.

BUILDING PROCEDURES

BAND AND CHOIR REQUIREMENTS

Students will receive a list of rehearsals and/or performances for all 6th grade band and choir members. **All of these events are mandatory for the students involved.** Students in band will be graded each nine weeks on their playing ability. However, these performances account for the largest portion of their grades in both band and choir. Failure to attend a performance could result in a F for the nine week period. The music programs at Pfeiffer Intermediate School focus on building a team of musicians, and without everyone's commitment and responsibility, our teams cannot be successful.

BOOK BAGS/MESSENGER BAGS/BACK PACKS/CANVAS BAGS/ATHLETIC PACKS, ETC.

These bags may be used to carry books and supplies to and from school. These bags are not to be used to carry books or supplies during school hours. Students must carry their books/notebooks/folders to and from class. **Please, no suitcases on wheels.** There is no room in lockers to store them during the day.

BICYCLES

Bicycles may be ridden to school with the consent of the parents. They must be parked in the bicycle rack. Locks are recommended. Students must walk their bikes after dismissal until all buses have left the parking lot.

BUS GUIDELINES

The Perry Local Schools Bus Coordinator has the responsibility of arranging for the transportation for all students in the school district. Realizing that this is indeed a huge task, it is necessary to set up some rules that pertain to the safety and welfare of all students.

The following bus rules are listed for your benefit:

- A. *DO WHAT THE BUS DRIVER REQUESTS.* He/she has the same authority as a teacher. Students should be at their bus loading area not more than five (5) minutes before scheduled pick up or departure time.
- B. *STUDENTS MUST GET ON AND OFF THE BUS AT THE ASSIGNED STOP EVERY DAY.* Students are expected to walk reasonable distances to catch the bus.
- C. *STUDENTS ARE EXPECTED TO LINE UP QUIETLY, AND KEEP OFF THE TREES, LAWNS, FENCES, AND PRIVATE PROPERTY OF OTHERS WHILE WAITING FOR THE BUS.* Load and unload from the bus in an orderly manner under the supervision of the bus driver
- D. *STUDENTS MAY BE ASSIGNED PERMANENT SEATS BY THE BUS DRIVER.* Students must sit three (3) in a seat whenever necessary. Saving of seats is not allowed.
- E. *SMOKING, EATING, AND LITTERING ARE NOT PERMITTED ON A BUS.*
- F. *THE STUDENT IS UNDER THE DIRECT SUPERVISION OF THE BUS DRIVER.* Serious cases of misbehavior will be referred to the student's principal and/or assistant principal. The following consequences may occur for any bus misconduct: verbal warning, assigned seat, parent notified, administrator contacted, bus suspension.
- G. *STUDENTS MUST REMAIN SEATED WHEN RIDING THE BUS.*
- H. *STUDENTS WILL BE SILENT AT RAILROAD CROSSINGS (STATE LAW).*
- I. *IN ACCORDANCE WITH STATE LAW, PARENTS WILL BE HELD FULLY RESPONSIBLE FOR ANY DAMAGE DONE TO THE BUS BY THEIR CHILDREN.*

STUDENTS WHO INSIST ON MISBEHAVING WILL BE SUSPENDED FROM RIDING THE BUS.

CAFETERIA

Pfeiffer has a closed lunch period. No visitors are permitted to eat with students during lunch periods.

- All students must eat in the cafeteria.
- Lunch is provided or may be brought from home. No glass containers permitted. Pop, energy drinks, or fast food lunches cannot be consumed in the cafeteria.
- PayForIt.net is available for families to deposit money into their child's account for snacks/extras via the Internet 24 hours a day, 7 days a week. Students will be assigned a PIN number to access their lunch account. If students choose not to use the computerized lunch system, they **MUST** take their money to the cafeteria **BEFORE** school starts in the morning.

- We offer a breakfast program available for all of our students.
- Parents are able to access their child's lunch account by using the Parent Viewer.
- The prices are as follows for the 2022-2023 school year:
Breakfast: \$1.75 Lunch: \$2.75

CLINIC

- The school clinic is for children who receive minor injuries during school hours. In case of illness or an accident of a more serious nature, the school will notify you. You will be asked to come for your child or to make arrangements for him or her to be taken home. If necessary, you may be asked to give permission for an ambulance to take the child to a hospital. We do have a school nurse for the district who can be called in case of an emergency.
- The clinic is to be used only as temporary measures in helping students feel better. The privilege should not be abused.
- The school may administer no more than immediate first aid.
- If the school cannot reach you or an emergency number, the school will decide what course of action will be taken to care for your child. If this procedure is not acceptable to you, please discuss your concern with the principal.

COMMUNICATION WITH TEACHER

If you wish to speak to a teacher during the school day, please call the school and leave your name and number. We cannot call a teacher in the classroom except in case of emergency. The school telephone is primarily a business phone and students are discouraged from using this phone except for emergencies. Arrangements for extracurricular activities should be made in advance. **In emergencies only** students may ask for permission to use the office phone. **No cell phones are to be used to call parents during school hours.**

CONCEALED WEAPONS

All schools and school property are gun-free zones. This includes a school safety zone of the area within 1,000 feet of the boundary of a school building or school premises. No person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordinance into a school safety zone, except for authorized personnel ORC 2923.122, 2929.1212.

- Meets with students individually and in small groups
- Helps identify the needs of students
- Helps students explore options and alternatives

How does a parent see the Counselor?

- Call for an appointment (330) 478-6163

EMERGENCY MEDICAL AUTHORIZATION

The Perry Board has established a policy that every student must have an Emergency Medical Authorization Form completed and signed by his/her parent in order to participate in any activity off school grounds. This includes field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities. The school has made the form available to every parent at the time of enrollment. Failure to return the completed form to the school will jeopardize a student's educational program.

ENTERING OR LEAVING THE BUILDING

For the safety of your children, we ask that any student, parent or visitor who enters or leaves our building during the school day must first come to the office. This will enable us to keep more accurate attendance records for your children and help ensure their safety. If you or someone else will be picking up your child after school or anytime during the day, **WE MUST HAVE A NOTE EXPLAINING THE CHANGE IN THEIR REGULAR ROUTINE.** Please utilize the intercom located by the front door, identify yourself, and let us know that you are picking up your child. Anyone who is picking up a child will be required to show a license or photo ID before we will release the child. We ask your full cooperation in this matter to ensure your child's safety.

EQUAL OPPORTUNITY

Pfeiffer Intermediate School and Perry Local School District attempt to comply with Title IX, the Equal Opportunity Act. If questions arise, administrators are to be notified or the Director of Pupil Services or the Assistant Superintendent who are the Title IX Coordinators. The Board of Education declares it to be the policy of this District to provide equal opportunity for all students, regardless of race, color, creed, disability, age, religion, gender, ancestry, national origin place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District.

FIELD TRIPS

Field trips are correlated to classroom educational experiences. Parents will be informed concerning the dates and destinations of trips on a permission slip. You are to sign and return this slip to the school acknowledging the fact that you are aware of the trip and have no reservations pertaining to your child's participation. If a fee is charged for entrance into a facility that the students are visiting, parents may be asked to pay the admission.

***** If a student has been assigned AEP or OSS or has earned excessive detentions during the second semester he/she may lose the opportunity to attend 6th grade camp.*****

GRADES

The purpose of grading is to communicate student achievement of standards. In order to provide effective communication of achievement, grades must be clearly understood by teachers, students, and parents. To develop a shared understanding, there must be a consistent basis for how grades are configured and what is included in grades.

In a standards-based grading system, grades reflect what a student knows and can do in relation to grade-level standards. Grades based on standards ultimately help to improve student achievement by focusing on four critical questions:

- What do students need to know and be able to do?
- How will we know what they learned?
- What will we do when they haven't learned?
- What will we do when they already know it?

Grade		Percentage Grade Distribution
A	4.0	94-100
A-	3.7	91-93
B+	3.3	88-90
B	3.0	84-87

B-	2.7	81-83
C+	2.3	78-80
C	2.0	74-77
C-	1.7	71-73
D+	1.3	68-70
D	1.0	64-67
D-	0.7	61-63
F	0.0	60

Although teachers have the final judgment in assigning grades, percentage guidelines are used to help determine the lower limits for a grade in the point distribution for the final grade.

- When grading a student, teachers should keep in mind our purpose of grading. Grades are to be based on individual student achievement of learning targets.
- Bonus/extra credit are not to be included in the grade determination as they can distort the reporting of the true achievement level. Students may be rewarded in other ways.

HOMEWORK

Homework is a constructive tool in the teaching/learning process when geared to the needs and abilities of students. Homework should be designed as an extension of learning of the day's learning target or to prepare for future lessons. The purpose of the assignment should be clear to the students. Because homework is practice, it is a form of formative assessment and should be used to assess students' understanding and plan subsequent lessons. Homework should account for no more than 5% of a student's grade for the grading period. 0% is recommended. Homework completion should not be counted in the student's grade, since it is a compliance issue. Students should have appropriate consequences to encourage the completion of work.

LATE WORK

Reducing points for late assignments distorts the achievement record that grades are intended to communicate. In order to reduce or eliminate the problem of late work, support systems will be put in place. Teachers should keep track of students' timeliness and report this on the behavior tracker in the student planner and the report card using comment codes. **The consequence for not completing work is completing the work.** Teachers may issue appropriate additional consequences such as lunch detention, Saturday School, after school detention, or other processes. Grades reflect progress toward standards, therefore completed work will not be penalized for lateness.

Smaller graded assignments which, after exhausting intervention steps including parental contact, are still not completed will be issued a failing score of 50%. Missing major assignments/projects/assessments should result in an "Incomplete" on the report card for the grading period and effort should be made to use the system to have the student complete the work. If the work is not completed, a failing score of 50% will be issued for the assignment and the final grade determined.

ZEROS

Zeros will not be assigned for missing or incomplete work. Zeros render grades ineffective as a means of communication on actual achievement, and they provide little to no chance of recovery for a student especially on large assignments. There are three fundamental problems with zeros:

- Zeros give a numerical value to something that has not been assessed, so it does not reflect the actual level of learning on a standard.
- Zeros can have a counterproductive effect on student motivation.

- The lack of proportionality between grades in the grading scale is unfair. A grade of “A, B, C or D” each have a range of 10 points, while an “F” has a range of 60.

HALL PASS/RESTROOM USE

Students who leave class to use the restroom or go to the office will be required to utilize e-hallpass. Students who violate their pass privileges may have restrictions imposed upon them.

HOME ACCESS CENTER (HAC)

Parents will receive a letter in the mail in the fall that will explain how to access your child’s grades from your home computer. Parents will also be able to access their child’s lunch account. Please keep this letter in a safe place.

HOMEWORK REQUESTS

If a student is absent from school for 3 or more consecutive days, parents should phone the school and request that teachers prepare assignments. **Assignments should be picked up by parents between 2:00–3:30 P.M. in the main office.** In order to gather assignments, parents should call by 9:30 a.m. on the day of the request. Parents may also want to check the Pfeiffer website for homework assignments in their children’s classes or Google Classroom.

IMMUNIZATION REQUIREMENTS: In order for a student to be admitted to school, parents must submit satisfactory evidence that immunizations are completed. The nurse will check to make sure records are up to date.

The Ohio Law presently requires:

- 4 or more doses of DTap or DT or any combination
- 2 or more MMR (Measles, Mumps, and Rubella)
- 3 doses of Hepatitis B
- 3 or more doses of Polio - final dose must be administered on or after 4th birthday
- 2 doses of Varicella (Chickenpox)

Immunizations can be obtained from your family physician. Free immunizations are available through the Stark County Health Department.

INTERNET/STUDENT NETWORK ACCEPTABLE USE AND SAFETY POLICY

The Perry School District is pleased to make available to students access to interconnected computer systems within the district and to the Internet, the worldwide network that provides various means of accessing significant educational material and opportunities.

In order for the school district to be able to continue to make its computer network and Internet access available, all students must take responsibility for appropriate and lawful use of this access. Students must understand that one student's misuse of the network and Internet access may jeopardize the ability of all students to enjoy such access. While the schools’ teachers and other staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Students must have an Acceptable Use Policy on file in the school office. The Acceptable Use Policy can be downloaded from the Pfeiffer website.

If any user violates this Policy and Agreement, the student's access will be denied or withdrawn and she/he may be subject to additional disciplinary action. Please read through the provisions listed on the next page.

- **PERSONAL RESPONSIBILITY**

Students will follow the rules in the AUP and will report any misuse of the network to the person designated by the school for such reporting. Misuse means any violations of this Policy or any other use that is not included in the Policy, but has the effect of harming another or his or her property.

- **PURPOSE AND USE**

The school district is providing access to its computer networks and the Internet for educational purposes only. If you have any doubt about whether an activity is educational, you may consult with the person/s designated by the school to help decide if a use is appropriate. Students may not use personal devices or hot spots at Perry Local School. Personal devices may not be used due to malware or viruses. Hot Spots are not permitted due to safety and security concerns for the students and the district.

- **NETIQUETTE** - All users must abide by rules of network etiquette, which include:

- Be polite. Use appropriate language. No swearing, vulgarities, suggestive, obscene, belligerent or threatening language.
- Be safe. In using the computer network and Internet, do not reveal personal information including your home address and telephone number. Do not arrange a face-to-face meeting with someone you "meet" on the Internet, if you are under 18, without parental permission, and regardless of age, in a secluded place or a private setting. Among uses that are considered unacceptable and constitute a violation of this Policy and Agreement are:
 - Do not be offensive to others. Don't use access to make ethnic, sexual preference or gender related slurs or jokes.
 - Do not violate the law or encourage others to violate the law. Don't transmit offensive harassing messages; offer for sale or use any substance the possession or use of which is prohibited by the school district's Student Code of Conduct; view, transmit or download pornographic materials or materials that encourage others to violate the law; intrude into the networks or computers of others; and download or transmit-confidential, trade secret information, copyrighted materials. Even if the materials on networks are not marked with the copyright symbol, you should assume that all materials are protected unless there is explicit permission on the material to use them.
 - Do not cause harm to others or damage their property. For example, don't engage in defamation (harming another's reputation by lies); employ another's password or some other user identifier that misleads message recipients into believing that someone other than you is communicating or otherwise using his/her access to the network or the Internet; upload a worm, virus, trojans, time bombs, or other harmful programming or vandalism.
 - Do not jeopardize the security of student access and the computer network or other networks on the Internet.
 - Do not access controversial or offensive materials. All users and their parents/guardians are advised that access to the electronic network may include the potential for access to materials inappropriate for school-aged pupils. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites. Parents of minors are the best guide to materials to shun.

If a student finds that other users are visiting offensive or harmful sites, he/she she should report such use to the person designated by the school.

- Do not make commercial transactions. Students may not sell or buy anything over the Internet. Do not give others private information about yourself or others, including credit card and social security numbers.

- **PRIVACY**

Network and Internet access is provided as a tool for your education. The Perry Local School District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the school district and no user shall have any expectation of privacy regarding such materials.

- **FAILURE TO FOLLOW POLICY AND BREACH OF AGREEMENT**

The user's use of the computer network and Internet is a privilege, not a right. A user who violates this Acceptable Use Policy and breaches his/her Agreement, shall at a minimum, have his or her access to the computer network and Internet terminated, which the school district may refuse or reinstate the remainder of the student's tenure in the school district. A user breaches his or her Agreement not only by affirmatively violating the above Policy but also by failing to report any violations by the other users that come to the attention of the user. Further, a user violates this Policy and Agreement if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. The school district may take other disciplinary action.

- **WARRANTIES/INDEMNIFICATION**

The school district makes no warranties of any kind either expressed or implied, in connection with its provision of access to and use of its computer network and the Internet provided under this Policy and Agreement. It shall not be responsible for any claims, losses, damages or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his or her parent/s or guardian/s arising out of the user's use of its computer networks or the Internet under this Policy and Agreement. Users take full responsibility for their use, and the user who is 19 or older or, in the case of a user under 18, the parent/s or guardian/s are agreeing to indemnify and hold the school, the school district and all of their administrators, teachers and staff harmless from any and all loss, costs, claims or damages resulting from the user/s access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent/s or guardian/s agree to cooperate with the school in the event the school's initiating an investigation of a user's use of his or her access to its computer the Internet, whether that use is on a school computer or on another/s outside the school district's network.

A parent may schedule a conference by communicating a request for a conference by a phone call to his/her child's counselor or individual academic teacher. The request should specify the name or names of staff to be included in the conference. Time and date of mutual agreement will be established.

PARENT SUPPORT GROUP - CUBS

We encourage the involvement and support of our parents. The **mission statement** is to provide opportunities for students to develop interpersonal relationships with other families and Pfeiffer faculty, and to foster positive communication between family and school. **Objective:** to provide service to our community, school and students.

PERSONAL COMMUNICATION DEVICES (PCDs) (Computers, tablets, electronic readers, **cell phones**, smartphones, and/or other web-enabled devices of any type)

These positions will include: President, Vice President, Secretary and Treasurer. The student must have a 2.5 grade point average. Meetings will be conducted monthly. Students involved will need to exhibit leadership and commitment to the school and our community.

STUDENT RIGHTS, RESPONSIBILITIES AND DISCIPLINE

The Perry Board of Education believes that good discipline is best thought of as being positive, not negative; of helping a student to adjust, rather than as punishment; of turning unacceptable conduct into acceptable conduct. It is important that each individual assume responsibility for his/her own action in accordance with socially acceptable conduct and the

rules, regulations, and policies for the school setting. Behaviors exhibited must be within the bounds of law and order and must respect the rights of others as individuals.

Parents or guardians have the primary responsibility for establishing and maintaining positive discipline with their children. While students are in school, however, members of the school staff must act in the place of parents in maintaining discipline. Members of the school staff are expected to make every effort to correct and effectively resolve disciplinary problems that occur within their range of responsibilities. Therefore, they shall have the authority necessary to maintain a proper learning climate using reasonable enforcement to prevent and stop any act of interference with the scholarly, disciplined atmosphere of the school. They may call upon other school personnel to help in discharging their responsibilities. **Since the school and the home share responsibility for educating and disciplining students, it is important that they work cooperatively.** The school staff has the obligation to be fair, honest, reasonable and consistent in their dealings with students. The parents have the obligation to be cooperative, reasonable and honest in working with school personnel. Only by developing a climate of mutual trust and respect can the school and the home work effectively together toward the best interest of the child.

TEXTBOOKS

The Perry Board of Education without charge, loans textbooks. Teachers will distribute textbooks during the first few days of school. **Each textbook must be covered with a book cover all year.** At the end of the school year, textbooks will be returned to the teachers who issued them. 5. It is the responsibility of the student to make up all work required by the teacher.

Creating a Positive Behavior Community at Pfeiffer so that #PFEIFFERROCKS

We are so glad to have you as a part of our school community this year. We strive to create and promote an atmosphere where students are respectful, responsible, and feel safe. To do this, we focus on positive behaviors.

1. **Daily Classroom Interactions** - In our daily interactions, teachers work hard to build relationships with their students. We are interested in what they're involved in beyond the school day and care about each of them as individuals.
2. **Work Hard, Play Hard Day and Panther GRIT Cards**- Panther GRIT cards will be used throughout the year to positively reinforce the Pfeiffer big three expectations (be safe, be respectful, and be responsible). At the end of the school year there will be a Work Hard, Play Hard day that celebrates student effort academically and behaviorally.
3. **Super Student Skills** - Being a student can be hard work. At this age, they need to learn how to study for tests, work on larger projects, and keep materials organized. These skills will be taught and practiced throughout the school year within the classroom and extra help will be provided as needed.
4. **Golden Panthers** - This program rewards students with no behavior marks or homework misses. It is presented each quarter and there is a very special reward for those students who earn the award every quarter.
5. **Pawsitive Panther Principal's 100 Club**- The Pawsitive Panther Principal's 100 Club is a school-wide positive behavior reward program. Students who are caught following Pfeiffer expectations of being safe, respectful, and/or responsible can earn a Pawsitive Panther referral card to redeem in the office for an assigned square on our Pawsitive Panther Principal's 100 Club matrix that will be displayed in the cafeteria on the monitors. They will also sign the Celebrity binder, take a fun Snapchat picture, and make a phone call home to share their positive news! When there are 10 student signatures in a row, those students get to do a fun activity with Mrs. Salvino and Ms. Cantrell.

At Pfeiffer, we care about the individual student, and we also understand that everyone can have a bad day. Our first step when there is a problem is to talk with the student to try to understand why a behavior might have taken place. We want to understand where the student is coming from and, when we can, try to help them fix the problem and learn from their mistakes. Teachers, administrators, students, and families must work together to help our students learn to be good students and then good citizen.

STUDENT DISCIPLINE

DISCIPLINARY PROCEDURES

A conscientious effort will be made to keep the student body aware of school rules and regulations. The parents or guardians will be kept informed of student behavior problems. Students will be dealt with respectfully, and nothing less in return will be tolerated. Suggested procedures and methods have been adopted for the benefit of the majority and to ensure that an educational atmosphere exists. The procedures and methods vary from verbal warning to an expulsion from school. It is impossible to state flatly what will or will not work with each individual. The majority of the students abide by reasonable regulations.

****School Administrators have final say in any and all school discipline decisions.****

- **Alternative Education Program (A.E.P.):** The student will be notified via a meeting and form. The parent will be notified by an administrator via phone/email. A.E.P. will be served at Edison Middle School. Failure to serve assigned A.E.P. may result in progressive discipline.

Students who violate rules that would subject them to suspension or expulsion are entitled to an informal hearing before the principal, assistant principal, the superintendent or his designee, and has the right to challenge the reasons for the intended suspension or expulsion. The hearing may take place immediately. The student or his parents may appeal the suspension or expulsion to the Board of Education or its designee.

DETENTION/SUSPENSION ACCUMULATION PENALTY POLICY (This is a very important Board Policy for parents and students to understand).

1. A student can accumulate no more than fifteen (15) days of detention, ten (10) days of In School Suspension (AEP), and ten (10) days of Out of School Suspension for the school year.
2. **When a student has accumulated fifteen (15) days of detention, any offense that results in the penalty of detention will become In-School Suspension (A.E.P.).** When a student accumulates ten (10) days of In School Suspension, the penalty moves to Out of School Suspension. The Building Administration has final say.
3. After a student accumulates fifteen (15) days of detention, ten (10) days of In-School Suspension, and ten (10) days of Out of School Suspension, the administration may recommend expulsion to the Superintendent.

Anything deemed to be distracting or detrimental to the education process will not be permitted. The following restrictions are in effect in the interest of safety, cleanliness, neatness, and appropriateness; however, due to styles and fads changing, it is impossible to anticipate and list all areas where a decision of acceptability must be made. The final determination about whether an item or style is objectionable under the student dress code is left to the judgment of building administration.
- In the event a student injury requires modification of the dress code, parents or students are expected to contact an administrator for approval before the student returns to school.
- **Violation of dress code:** Students who violate the dress code will be referred to the office and asked to change or have appropriate clothing brought from home. Students can and may be placed in A.E.P. until their clothing is dress code compliant. Our goal is to return students to class as soon as possible. DUE PROCESS RIGHTS

The Board of Education recognizes that students waive certain constitutional rights, regarding their education. Accordingly, the Board establishes the following procedures:

- **Students Subject to Suspension:**
 - The student will be informed in writing of the potential suspension and the reasons for the proposed action.
 - The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and to explain his/her actions.
 - An attempt will be made to notify parents or guardians by telephone if a suspension is issued.
 - Within one (1) school day of the suspension the Superintendent, principal, or other administrator will notify the parents, guardians, or custodians of the student and the Treasurer of the Board. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its Designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.
 - Notice of this suspension will also be sent to the:
 - Superintendent;
 - Board Treasurer;
 - Student's school record (not for inclusion in the permanent record).
 - If a student leaves school property without permission immediately upon violation (or suspected violation) of a provision of the Student Code of Conduct/Student Discipline Code or prior to an administrator conducting an informal hearing as specified above, and the student fails to return to school on the following school day, the principal, assistant principal, Superintendent, or any other administrator, may send the student and his/her parent(s)/guardian(s) notice of the suspension, and offer to provide the student and/or his/her parents an informal hearing upon request to discuss the reasons for the suspension and to allow the students to challenge the reasons and to explain his/her actions, any time prior to the end of the suspension period.

Appeal of Suspension to the Board or its Designee

The student who is eighteen (18) or older or the student's parent(s) or guardian(s) may appeal the suspension to the Board or its designee. They may be represented in all such appeal proceedings. A verbatim record will be kept of the hearing which may be held in executive session at the request of the students, parent, or guardian, if held before the Board. The procedure to pursue such appeal will be provided in regulations approved by the Superintendent. Notice of appeal must be filed with the Treasurer or the Superintendent within five (5) school days of the notice to suspend.

Appeal to the Court

Under Ohio law, appeal to the Board's or its designee's decision may be made to the Court of Common Pleas.

- **Maximum Cumulative Penalty Policy**

A student can accumulate not more than 15 days Detention, 10 days A.E.P., and 10 days out-of-school suspension for the entire school year. When a student has accumulated 15 days Detention, any offense that results in the penalty of detention becomes A.E.P. The same applies when the maximum is reached with A.E.P., the penalty moves to Out of School Suspension. After a student accumulates 15 days Detention, 10 days A.E.P., and 10 days Out of School Suspension, the student will be recommended to the Superintendent for expulsion.

- **Students Subject to Expulsion**

When a student is being considered for expulsion by the Superintendent:

- The Superintendent will give the student and parent, guardian, or custodian written notice of the intended expulsion, including reasons for the intended expulsion.
- The student and parent or representative could appear before the Superintendent or designee to challenge the proposed action or to otherwise explain the student's actions. The written notice will state the time and place to appear, which must not be earlier than three (3) school days nor later than five (5) school days after the notice is given, unless the Superintendent grants an extension upon request of the student or parent.
- Within one (1) school day of the expulsion, the Superintendent will notify the parents, guardians, or custodians of the student and Treasurer of the Board. The notice will include the reasons for the expulsion and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the executive session if before the Board. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information.

Note: Number 14 is not all inclusive but gives you, the student, an indication of offenses leading to disciplinary measures.
