Dear East B (Curiosity Hall) Families,

I am thrilled to welcome our students and staff back for the 2022-2023 school year. This will be our 1<sup>st</sup> year back with all students in-person. We hope that you were able to relax and make special memories with your friends and families. Now it is time to look forward to a wonderful new school year!

Our theme for the 22-23 school year is H.A.P.P.Y. – “Have A Positive Productive Year.” Our incredible staff of educators has been in school throughout the summer to prepare classrooms for the new year. We are excited to welcome many new staff members and students to our East B family. We recognize that students may be feeling anxious with the start of a new school year and we will continue to place a strong emphasis on social emotional learning while focusing on building classroom community. We will be addressing unfinished learning by using an acceleration model to fill in gaps in knowledge. This instruction will be focused on specialized skills and content needed to learn grade level materials while providing the appropriate tools needed to grasp concepts.

East B expectations will be high both academically and socially. Our P.B.I.S. (Positive Behavior Intervention Support) will drive our building climate and culture. We will be having many P.B.I.S. activities to recognize students and staff throughout the school year.

East B is such a special place to learn and grow. Our students are kind, compassionate, and resilient. Together with our dedicated staff, we strive to make connections with students to help them feel valued, accepted, and safe. Our CCCS mission of “**Empowering Students as Learners,**” will drive everything we do academically and socially. Our overarching goal is to encourage active student engagement to foster a lifetime love for learning.

Dr. Eric Pugh
