August 16, 2022

Dear Parents and Guardians of CCCS Aston scholars,

My name is Phil Meitner, the new principal for the 7th grade: House of Integrity for the 2022-23 school year. The Assistant Principal for the 7th grade is Kathleen Bruce. As I begin my first year as Principal at Chester Community Charter School (CCCS), I am energized and deeply committed to making a positive difference in the life of your scholar. We will accomplish this together by setting high academic expectations for all scholars and providing supportive systems to assure they are met. By focusing on a positive school culture, setting high standards for teacher performance, increased academic expectations for all scholars and engaging the community, it is our goal at CCCS Aston for all scholars to be life-long learners who are college and career ready as they transition on to high school.

Last year, Ms. Bruce and I established strong relationships with many of our incoming 7th grade scholars and families, serving as the 6th grade Assistant Principal and she as a 6th grade teacher. We look forward to continuing those relationships and welcoming the new 7th grade scholars and their families. We will have many opportunities to work together, because we know scholars thrive when we are a team. Our collaborations will include but are not limited to an Open House, Back to School Night, PTA meetings, report conferences and more.

Our goal is to work with you to challenge all our scholars to meet their academic and social potential. As many of you know 7th grade is *extremely important* because those *grades, test scores and behavior records are the major factors determining high school acceptance*.

Below are a few points about the 2022-2023 school year:

- CCCS will be **completely in-person** for learning this school year
- The first day of the school year will be Tuesday, August 30
- The school day for scholars begins at 7:30 am, scholars will be considered late at 7:45 am and the school day ends at 2:30 pm
- The **theme** for the 2022-23 school year will be: **“In it together to be better than ever”**
- Scholars must be in complete uniform every day
 - 7th grade uniform shirt color is hunter green
 - Boys uniform pants are gray and Girls uniform skirts are plaid
 - All scholars must wear solid black shoes or sneakers.
 - Uniforms can be purchased through Cramer’s Uniforms.
 - We welcome any gently used uniforms that are too small for your scholars to help others. They can be turned into the main office.
- Scholars will be expected to meet behavioral, uniform and academic expectations
- Back to School Night is Thursday, September 15, 2022

Thank you for allowing me the opportunity to work with and support your scholar’s education each day. This is a tremendous responsibility that I do not take lightly. It is my promise to you that I will do everything in my power to help your child be a successful scholar at CCCS Aston. We look forward to an engaging and successful school year as we empower your scholars as learners!

Sincerely,

Mr. Phil Meitner
7th grade Principal CCCS Aston – Achievement Hall
