	<ul style="list-style-type: none"> • Students will demonstrate knowledge of color theory and apply various color families to an original design. • Students will use a variety of materials to create original sculptures.
Adopted Instructional Materials	K12
Instructional Methods	Lectures, multimedia elements, class discussions, case studies, projects and individual assignments, cooperative learning
Grading Policy	The academic year is divided into four quarters, or 9 -week periods. The weight for each nine-week period will be 37.5 percent and the semester exam will weigh 25 percent. There will be a minimum of 5 grades per student during each three weeks progress report grading period. This course will be comprised of 2 grading categories: Tests (40%) and Daily Work (60%).
Cell Phone and Technology Policy	Students are provided with a Chromebook, Internet HotSpot, Ipad with Keyboard, Digital Pen, and a calculator for grades 8 and 9.
Assessment Policy	Frequently during the year, formative assessments will be given. These will be in the form of homework, written or oral quiz, readings and discussion, student writing, or tests. Feedback will be given on all formative assessments. The formative assessments are critical to learning because they provide feedback as to what essential learning we will focus on next. They will help influence and shape the process of learning while we still have time to improve before test or grades are given.
Retesting Procedures	Students may retake tests only upon receiving a failing grade of below a 70%. Additional assigned material during tutorial may be a prerequisite to taking a retest. The time and date for all retests is determined by the teacher. Retests may earn a maximum score of 70%. Semester Exams will not be eligible for retest.
