* The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every public meeting of the Board and publish rules to govern such participation. These rules are available at each Board meeting. Anyone desiring to speak is asked to make this request in advance. Participants must be recognized by the presiding officer. Comments shall be directed to the presiding officer; not to Board members individually. Board Bylaw 0169.1

**Vocational Reports**
Mr. Miller reported that the five year forecast for Auburn was reviewed at the last meeting. The forecast reflects a deficit in 2014. He is pleased with the leadership that the administration has showed.

**Committee Reports**
Mr. Manfredi reported on the joint meeting with Cardinal and Kent State University regarding collaboration. The group has discussed offering AP classes in various subject areas to challenge
our gifted students. The group is focusing upon the second half of the school year to have this implemented. The biggest challenge will be to coordinate schedules between the schools. As a solution a “period zero” is being considered before school begins.

Mr. Koster reported that Berkshire Planning Committee is paring it’s meeting schedule down. They will meet bi-monthly. The County has started a non-profit to deal with County-wide planning and they will take a larger role than in the past.
